C. NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 2. Amendments to Credit Agreement. On the Fourth Amendment Effective Date (as defined below), (a) the Existing Credit Agreement (excluding the Exhibits and the Schedules thereto) is hereby amended in its entirety to read as set forth in Exhibit A attached hereto and (b) the Commitments shall be increased from \$100,000,000 to \$120,000,000 (which, for the avoidance of doubt, shall not constitute a Revolving Credit Commitment Increase) and the Revolving Credit Commitment of each Lender shall be as set forth on Schedule 1A attached hereto.

Section 3. Amendments to Pledge and Security Agreement. Effective as of the Fourth Amendment Effective Date, the Pledge and Security Agreement (excluding the Exhibits and the Schedules thereto) is hereby amended in its entirety to read as set forth in Exhibit B attached hereto.

4.1 The Administrative Agent and the Lenders shall have received all fees and other amounts due and payable in connection with this Amendment or any other Credit Document on or prior to the Fourth Amendment Effective Date, including, to the extent invoiced, reimbursement or payment of all out-of-pocket expenses required to be reimbursed or paid by the Company pursuant to this Amendment or any other Credit Document.

(d) a solvency certificate in the form of Exhibit I to the Credit Agreement provided by the chief financial officer of the Company;

(e) copies of customary lien search reports reasonably satisfactory to the Collateral Agent listing all effective financing statements, notices of tax, PBGC or judgment liens or similar notices that name any of the Company or any other Credit Party, as debtor in any jurisdiction having files which must be searched in order to determine fully the existence of the UCC security interests, notices of the filing of federal tax Liens (filed pursuant to Section 6323 of the Code), Liens of the PBGC (filed pursuant to Section 4068 of ERISA) or judgment Liens on any Collateral, together with copies of such financing statements, notices of tax, PBGC or judgment Liens or similar notices (none of which shall cover the Collateral except to the extent evidencing Permitted Liens or for which the Collateral Agent shall have received termination statements (Form UCC-3 or such other termination statements as shall be required by local Law) authenticated and authorized for filing);

(f) evidence of the insurance under all insurance policies to be maintained with respect to the properties of the Company and its Subsidiary Guarantors forming part of the Collateral, including endorsements naming the Collateral Agent on behalf of the Lenders, as an additional insured or loss payee, as the case may be; and

The Administrative Agent is hereby authorized and directed to declare this Amendment to be effective (and the Fourth Amendment Effective Date shall occur) when it has received documents confirming or certifying, to the satisfaction of the Administrative Agent, compliance with the conditions set forth in this Section 4 (or the waiver of such conditions as permitted in Section 12.1 of the Credit Agreement). Such declaration shall be final, conclusive and binding upon all parties to the Credit Agreement for all purposes.

(a) This Amendment may be executed by one or more of the parties hereto in any number of separate counterparts, and all of such counterparts taken together shall be deemed to constitute one and the same instrument.

(b) Delivery of an executed counterpart of a signature page of this Amendment and/or any Ancillary Document that is an Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Amendment or such Ancillary Document, as applicable. 5.5 Integration. This Agreement and the other Credit Documents represent the entire agreement of the Credit Parties, the Agents and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any

Agent or any Lender relative to the subject matter hereof or thereof not expressly set forth or referred to herein or in the other Credit Documents.

5.6 GOVERNING LAW. Section 12.10 and Section 12.11 of the Credit Agreement are each hereby incorporated herein and apply hereto *mutatis mutandis*.

2. AMOUNT AND TERMS OF REVOLVING CREDIT COMMITMENTS

2.1 Revolving Credit Commitments

(a) Subject to the terms and conditions hereof, each Lender agrees to extend credit, in an aggregate amount not to exceed such Lender's Revolving Credit Commitment, to the Company from time to time on any Borrowing Date during the Revolving Credit Commitment Period by purchasing an L/C Participating Interest in each Letter of Credit issued by the Issuing Lender and by making loans to the Company ("**Revolving Credit Loans**") from time to time. Revolving Credit Loans shall be denominated in Dollars. Notwithstanding the foregoing and subject to the Administrative Agent's authority, in its reasonable discretion, to make Protective Advances pursuant to Section 2.8, in no event shall (i) any Revolving Credit Loan be made, or any Letter of Credit be issued, if, after giving effect thereto and the use of proceeds thereof as irrevocably directed by the Company, the sum of the Aggregate Revolving Credit Extensions of Credit would exceed the Line Cap then in effect or (ii) any Revolving Credit Loan be made, or any Letter of Credit be issued, if the amount of such Loan to be made or any Letter of Credit to be issued would, after giving effect to the use of proceeds, if any, thereof, exceed the Available Revolving Credit Commitments. Subject to the foregoing, during the Revolving Credit Commitment Period, the Company may use the Revolving Credit Commitments by borrowing, repaying the Revolving Credit Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof, and/or by having the Issuing Lender issue Letters of Credit, having such Letters of Credit expire undrawn upon or if drawn upon, reimbursing the relevant Issuing Lender for such drawing, and having the Issuing Lender issue new Letters of Credit.

(b) Each borrowing of Revolving Credit Loans shall be in an aggregate principal amount of the lesser of (i) \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof, and (ii) the Available Revolving Credit Commitments, except that any borrowing of a Revolving Credit Loan to be used solely to pay the like amount of an L/C Disbursement may be in the principal amount of such L/C Disbursement.

2.2 Proceeds of Revolving Credit Loans

The Company shall use the proceeds of Revolving Credit Loans solely for financing the working capital or general corporate purposes of the Company or any of its Subsidiaries (including making payments to an Issuing Lender to reimburse the Issuing Lender for drawings made under the Letters of Credit). Notwithstanding the foregoing, no Credit Party will request any Loans, and no Credit Party shall use, and shall procure that their Subsidiaries and their

respective directors, officers, employees and, to the knowledge of any Credit Party, agents, shall not use, the proceeds of any Revolving Credit Loan or Letter of Credit (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country in a manner that breaches applicable Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

2.3 Issuance of Letters of Credit

(a) Subject to the terms and conditions hereof, the Company may from time to time during the Revolving Credit Commitment Period request any Issuing Lender to issue (or amend or extend) a Letter of Credit denominated in Dollars by delivering to the Administrative Agent at its address specified in Section 12.2 and the Issuing Lender an L/C Application completed to the satisfaction of the Issuing Lender, together with the proposed form of the Letter of Credit (which shall comply with the applicable requirements of paragraph (b) below) and such other certificates, documents and other papers and information as the Issuing Lender may reasonably request; **provided** that if the Issuing Lender informs the Company that it is for any reason unable to open such Letter of Credit, the Company may request another Lender to open such Letter of Credit upon the same terms offered to the initial Issuing Lender and if such other Lender agrees to issue such Letter of Credit each reference to the Issuing Lender for purposes of the Credit Documents shall be deemed to be a reference to such Lender. Letters of Credit shall be denominated in Dollars.

(b) Each Letter of Credit issued (or amended or extended) hereunder shall, among other things, (i) be in such form requested by the Company as shall be acceptable to the Issuing Lender in its sole discretion and (ii) subject to paragraph (c) below, have an expiry date occurring not later than the earlier of (A) three hundred and sixty-five (365) days after the date of issuance of such Letter of Credit and (B) five (5) Business Days prior to the Revolving Credit Termination Date.

(c) If the Company so requests in the applicable L/C Application, the Issuing Lender may agree to issue a Letter of Credit with a one-year tenor that has automatic extension or renewal provisions (each, an “**Auto-Extension Letter of Credit**”); **provided** that (x) any such Auto-Extension Letter of Credit must permit the Issuing Lender to prevent any such extension or renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a certain number of days prior to each anniversary of such Letter of Credit’s date of issuance (the “**Non-Extension Notice Date**”), such number of days to be agreed upon by the Company and the Issuing Lender at the time such Letter of Credit is issued and (y) such prior notice shall be deemed to have been given by the Issuing Lender on the effective date of its resignation as Issuing Lender in accordance with Section 11.9. Unless otherwise directed by the Issuing Lender, the Company shall not be required to make a specific request to the Issuing Lender for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Credit Lenders shall be deemed to have authorized (but may not require) the Issuing Lender to permit the extension of such Letter of Credit at any time to an expiry date not later than five (5) Business Days prior to the Revolving Credit Termination Date; **provided**, however, that the Issuing Lender shall not permit any such extension if (A) the Issuing Lender has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 2.1(a), Section 2.5 or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is thirty (30) days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Credit Lender or the Company

that one or more of the applicable conditions specified in Section 7.3 is not then satisfied, and in each such case directing the Issuing Lender not to permit such extension.

(d) Notwithstanding anything herein to the contrary, the Issuing Lender shall have no obligation hereunder to issue, amend or extend, and shall not issue, amend or extend, any Letter of Credit (i) the proceeds of which would be made available to any Person (A) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (B) in any manner that would result in a violation of any Sanctions by any party to this Agreement, (ii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Lender from issuing, amending or extending such Letter of Credit, or any Requirement of Law relating to the Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Lender shall prohibit, or request that the Issuing Lender refrain from, the issuance, amendment or extension of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Lender is not otherwise compensated hereunder) not in effect on the Execution Date, or shall impose upon the Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Execution Date and which the Issuing Lender in good faith deems material to it, (iii) if the issuance, amendment or extension of such Letter of Credit would violate one or more policies of the Issuing Lender applicable to letters of credit generally or (iv) if the issuance, amendment or extension of such Letter of Credit would result in more than twenty (20) Letters of Credit being outstanding at any time; **provided** that, notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements or directives thereunder or issued in connection therewith or in the implementation thereof and (y) all requests, rules, guidelines, requirements or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed not to be in effect on the Execution Date for purposes of clause (ii) above, regardless of the date enacted, adopted, issued or implemented.

2.4 Participating Interests

Effective in the case of each Letter of Credit opened by the Issuing Lender as of the date of the opening thereof, the Issuing Lender agrees to allot and does allot, to itself and each other Revolving Credit Lender, and each Revolving Credit Lender severally and irrevocably agrees to take and does take in such Letter of Credit and the related L/C Application, an L/C Participating Interest in a percentage equal to such Revolving Credit Lender's Revolving Credit Commitment Percentage. In consideration and in furtherance of the foregoing, each such Revolving Credit Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent in Dollars, for the account of the applicable Issuing Lender, such Revolving Credit Lender's Revolving Credit Commitment Percentage of each L/C Disbursement made by such Issuing Lender, in each case to the extent not reimbursed by the Company on the date due as provided in Section 2.6, or of any reimbursement payment required to be refunded to the Company for any reason.

2.5 Procedure for Opening Letters of Credit

Upon receipt of any L/C Application from the Company in respect of a Letter of Credit, the Issuing Lender will promptly notify the Administrative Agent thereof and the Administrative Agent will notify each Revolving Credit Lender. The Issuing Lender will process such L/C Application, and the other certificates, documents and other papers delivered to the Issuing Lender in connection therewith, upon receipt thereof in accordance with its customary

procedures and, subject to the terms and conditions hereof, shall promptly open such Letter of Credit by issuing the original of such Letter of Credit to the beneficiary thereof and by furnishing a copy thereof to the Company; **provided** that no such Letter of Credit shall be issued (i) if the amount of such requested Letter of Credit, together with the sum of (A) the aggregate unpaid amount of Revolving L/C Obligations outstanding at the time of such request and (B) the maximum aggregate amount available to be drawn under all Letters of Credit outstanding at such time, would exceed \$10,000,000, (ii) if the amount of such requested Letter of Credit, together with the sum of (A) the aggregate amount of Revolving L/C Obligations made by an Issuing Lender that have not yet been reimbursed by or on behalf of the Company at such time and (B) the maximum aggregate amount available to be drawn under all Letters of Credit issued by such Issuing Lender and outstanding at such time, would exceed such Issuing Lender's L/C Commitment (unless such Issuing Lender otherwise agrees) or (iii) if Section 2.1 would be violated thereby.

2.6 Payments in Respect of Letters of Credit

(a) If the Issuing Lender shall make any L/C Disbursement in respect of a Letter of Credit, the Company shall reimburse such L/C Disbursement by paying to the Administrative Agent an amount equal to such L/C Disbursement in Dollars, (i) not later than 1:00 P.M., New York City time, on the same Business Day if the Company receives notice of such L/C Disbursement at or before 11:00 A.M. New York City time on such Business Day, or (ii) if the Company receives a notice of disbursement after 11:00 A.M. New York City time not later than 1:00 P.M. New York City time, on the Business Day immediately following the date that the Company receives such notice; **provided** that the Company may, subject to the conditions to borrowing set forth herein, request in accordance with Section 5.1 that such payment be financed with an ABR Loan, which is a Revolving Credit Loan in an equivalent amount and, to the extent so financed, the Company's obligation to make such payment shall be discharged and replaced by the resulting ABR Loan which is a Revolving Credit Loan.

(b) If an Issuing Lender shall make any L/C Disbursement, then, unless the Company shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that the Company reimburses such L/C Disbursement, at the rate per annum then applicable to ABR Loans; **provided** that, if the Company fails to reimburse such L/C Disbursement when due pursuant to paragraph (b) of this Section, then, Section 5.7(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Lender, except that interest accrued on and after the date of payment by any Revolving Credit Lender pursuant to paragraph (a) of this Section to reimburse such Issuing Lender shall be for the account of such Revolving Credit Lender to the extent of such payment. If the Company fails to make such payment when due, then the Administrative Agent shall notify the applicable Issuing Lender and each other applicable Revolving Credit Lender of the applicable L/C Disbursement, the payment then due from the Company in respect thereof and such Revolving Credit Lender's Revolving Credit Commitment Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Credit Lender shall pay to the Administrative Agent in Dollars its Revolving Credit Commitment Percentage of the payment then due from the Company (and Section 5.18(b) shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Credit Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Lender in Dollars the amounts so received by it from such Revolving Credit Lender. Promptly following receipt by the Administrative Agent of any payment from the Company pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Lender or, to the extent that Revolving Credit Lenders have made payments pursuant to this paragraph to reimburse such Issuing Lender, then to such Revolving Credit Lenders and the applicable Issuing Lender as their interests may appear. Any payment made by a Revolving Credit Lender pursuant to this paragraph to reimburse any Issuing

Lender for any L/C Disbursement (other than the funding of ABR Loans as contemplated above) shall not constitute a Loan and shall not relieve the Company of its obligation to reimburse such L/C Disbursement.

(c) Whenever, at any time after the Issuing Lender has made a payment under any Letter of Credit and has received from any other Revolving Credit Lender such other Revolving Credit Lender's pro-rata share of the Revolving L/C Obligation arising therefrom, the Issuing Lender receives any reimbursement on account of such Revolving L/C Obligation or any payment of interest on account thereof, the Issuing Lender will distribute to such other Revolving Credit Lender, through the Administrative Agent, its pro-rata share thereof in like funds as received (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Credit Lender's participating interest was outstanding and funded); **provided** that, in the event that the receipt by the Issuing Lender of such reimbursement or such payment of interest (as the case may be) is required to be returned, such other Revolving Credit Lender will promptly return to the Issuing Lender, through the Administrative Agent, any portion thereof previously distributed by the Issuing Lender to it in like funds as such reimbursement or payment is required to be returned by the Issuing Lender.

(d) The Company shall pay to each Issuing Lender, each of the fees set forth in Section 5.11.

2.7 Participations

Each Revolving Credit Lender's obligation to purchase participating interests pursuant to Section 2.4 is absolute and unconditional as set forth in Section 5.16.

2.8 Protective Advances

(a) Subject to the limitations set forth below, the Administrative Agent, in its sole discretion exercised in good faith, may make Revolving Credit Loans to the Company on behalf of the Lenders, so long as the aggregate amount of such Revolving Credit Loans shall not exceed 5% of the Borrowing Base, if the Administrative Agent deems that such Revolving Credit Loans are necessary or desirable (i) to protect all or any portion of the Collateral, (ii) to enhance the likelihood or maximize the amount of repayment of the Loans and the other Obligations or (iii) to pay any other amount chargeable to the Company pursuant to this Agreement (such Revolving Credit Loans, "**Protective Advances**"); **provided** that (A) in no event shall the sum of the Aggregate Revolving Credit Extensions of Credit exceed the aggregate Revolving Credit Commitments and (B) the Required Lenders may at any time revoke the Administrative Agent's authorization to make future Protective Advances (**provided** that existing Protective Advances shall not be subject to such revocation and any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's receipt thereof). At any time that the conditions for making a Revolving Credit Loan are satisfied, the Administrative Agent may request the Lenders to make a Revolving Credit Loan to repay a Protective Advance. At any other time the Administrative Agent may require the Lenders to fund their risk participation described in Section 2.8(b).

(b) Upon the making of a Protective Advance, each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent (regardless of the existence of any Event of Default or other condition), without recourse or warranty, an undivided interest and participation in such Protective Advance based upon their Revolving Credit Commitment Percentages. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Revolving Credit Commitment Percentages of all payments of principal

and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Protective Advance.

(c) All Protective Advances shall be secured by the Collateral and shall bear interest as provided in this Agreement for ABR Loans.

3. AMOUNT AND TERMS OF INCREMENTAL LOANS

3.1 Requests for Incremental Loans

Upon notice to the Administrative Agent (which shall promptly notify the Lenders) at any time after the Funding Date but prior to the date falling 12 months prior to the Revolving Credit Termination Date, the Company may request additional revolving loan commitments or increases in the aggregate amount of Revolving Credit Commitments (each such additional commitment or increase, a “**Revolving Credit Commitment Increase**” and all of them, collectively, the “**Revolving Credit Commitment Increases**”); **provided** that after giving effect to any Revolving Credit Commitment Increase, the aggregate amount of Revolving Credit Commitment Increases that have been added pursuant to this Section 3.1 shall not exceed \$50,000,000. Any loans made in respect of any such Revolving Credit Commitment Increase (the “**Incremental Revolving Credit Loans**”) shall be made by increasing the aggregate Revolving Credit Commitments with terms identical to those of the existing Revolving Credit Loans.

3.2 Ranking and Other Provisions

The Incremental Revolving Credit Loans (i) shall have the same guarantees as, and rank pari passu in right of payment and in respect of lien priority as to the Collateral with the Obligations in respect of, the Revolving Credit Commitments and (ii) shall be on terms and pursuant to documentation identical as, and treated substantially the same as, the Revolving Credit Loans.

3.3 Notices; Lender Elections

The notice from the Company to the Administrative Agent delivered pursuant to Section 3.1 shall set forth the requested amount and proposed terms of the Revolving Credit Commitment Increases, which proposed terms shall not be inconsistent with the requirements of Section 3.2. At the time of the sending of such notice, the Company (in consultation with the Administrative Agent) shall specify the time period within which each Lender is requested to respond (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the Lenders). Incremental Revolving Credit Loans (or any portion thereof) may be made by any existing Lender or by any other bank or financial institution (any such bank or other financial institution, an “**Incremental Lender**”), in each case on terms permitted in this Article 3 and otherwise on terms reasonably acceptable to the Administrative Agent, **provided** that the Administrative Agent and the Issuing Lender shall have consented (which consent shall not be unreasonably withheld) to such Lender’s or Incremental Lender’s, as the case may be, making such Incremental Revolving Credit Loans if such consent would be required under Section 12.6 for an assignment of Loans to such Lender or Incremental Lender, as the case may be. No Lender shall be obligated to provide any Revolving Credit Commitment Increase, unless it so agrees. Each Lender shall notify the Administrative Agent within such time period whether or not it agrees to provide a Revolving Credit Commitment Increase and, if so, whether by an amount equal to, greater than, or less than its Commitment Percentage of such requested increase (which shall be calculated on the basis of the amount of the funded and unfunded exposure under all the Loans held by each Lender). Any Lender not responding within such time period shall be deemed to have declined to provide a Revolving Credit Commitment Increase. The

Administrative Agent shall notify the Company and each Lender of the Lenders' responses to each request made hereunder. To achieve the full amount of a requested increase, the Company may also invite additional Eligible Assignees to become Incremental Lenders pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and its counsel.

3.4 Incremental Facility Amendment

Revolving Credit Commitment Increases shall become Commitments (or in the case of any Revolving Credit Commitment Increase to be provided by an existing Revolving Credit Lender, an increase in such Revolving Credit Lender's Revolving Credit Commitment) under this Agreement pursuant to an amendment (an "**Incremental Facility Amendment**") to this Agreement and, as appropriate, the other Credit Documents, executed by the Company, each Lender agreeing to provide such Commitment, if any, each Incremental Lender, if any, and the Administrative Agent. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Article 3.

3.5 Effective Date and Allocations

If any Revolving Credit Commitment Increases are added in accordance with this Article 3, the Administrative Agent and the Company shall determine the effective date (the "**Incremental Commitments Effective Date**") and the final allocation of such Revolving Credit Commitment Increases. The Administrative Agent shall promptly notify the Company and the Lenders of the final allocation of such Revolving Credit Commitment Increases and the Incremental Commitments Effective Date.

3.6 Conditions to Effectiveness of Increase

The effectiveness of any Incremental Facility Amendment shall, unless otherwise agreed to by the Administrative Agent, each Lender party thereto, if any, and the Incremental Lenders, if any, be subject to the satisfaction on the date thereof (the "**Incremental Facility Closing Date**") of each of the following conditions:

(a) the Administrative Agent shall have received on or prior to the Incremental Facility Closing Date each of the following, each dated the Incremental Facility Closing Date unless otherwise indicated or agreed to by the Administrative Agent and each in form and substance reasonably satisfactory to the Administrative Agent: (i) the applicable Incremental Facility Amendment; (ii) certified copies of resolutions of the board of directors of each Credit Party approving the execution, delivery and performance of the Incremental Facility Amendment; and (iii) a favorable opinion of counsel for the Credit Parties dated the Incremental Facility Closing Date, to the extent reasonably requested by the Administrative Agent, addressed to the Administrative Agent and the Lenders and in form and substance and from counsel reasonably satisfactory to the Administrative Agent;

(b) (i) the conditions precedent set forth in Section 7.3 shall have been satisfied both before and after giving effect to such Incremental Facility Amendment and the additional Extensions of Credit provided thereby (it being understood that all references to "the obligation of any Lender to make a Loan on the occasion of any Borrowing" shall be deemed to refer to the effectiveness of the Incremental Facility Amendment on the Incremental Facility Closing Date) and (ii) all Incremental Revolving Credit Loans provided by the applicable Incremental Facility Amendment shall be made on the terms and conditions provided for above; and

(c) there shall have been paid to the Administrative Agent, for the account of the Administrative Agent and the Lenders (including any Person becoming a Lender as part of such Incremental Facility Amendment on the related Incremental Facility Closing Date), as applicable, all fees and expenses (including reasonable out-of-pocket fees, charges and disbursements of counsel) invoiced with reasonable supporting documentation that are due and payable on or before the Incremental Facility Closing Date.

3.7 Effect of Incremental Facility Amendment

On the Incremental Commitments Effective Date, each Lender or Eligible Assignee which is providing a Revolving Credit Commitment Increase (i) shall become a “Lender” for all purposes of this Agreement and the other Credit Documents and (ii) shall have a Revolving Credit Commitment Increase which shall become a “Commitment” hereunder.

3.8 Revolving Credit Commitment Increases

Upon each Revolving Credit Commitment Increase pursuant to this Article 3, (i) each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each existing Lender, if any, and each Incremental Lender, if any, in each case providing a portion of such Revolving Credit Commitment Increase (each a “**Revolving Credit Commitment Increase Lender**”), and each such Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender’s participation interests hereunder in outstanding Letters of Credit such that, after giving effect to such Revolving Credit Commitment Increase and each such deemed assignment and assumption of participation interests, the percentage of the aggregate outstanding participation interests hereunder in Letters of Credit held by each Revolving Credit Lender (including such Revolving Credit Commitment Increase Lender) will equal such Revolving Credit Lender’s Revolving Credit Commitment Percentage and (ii) if, on the date of such Revolving Credit Commitment Increase, there are any Revolving Credit Loans outstanding, the Administrative Agent shall take those steps which it deems, in its sole discretion and in consultation with the Company, necessary and appropriate to result in each Revolving Credit Lender (including each Revolving Credit Commitment Increase Lender) having a pro-rata share of the outstanding Revolving Credit Loans based on each such Revolving Credit Lender’s Revolving Credit Commitment Percentage immediately after giving effect to such Revolving Credit Commitment Increase, **provided** that any prepayment made in connection with the taking of any such steps shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 5.21. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro-rata borrowing and pro-rata payment requirements contained elsewhere in this Agreement shall not apply to any transaction that may be effected pursuant to the immediately preceding sentence.

3.9 Conflicting Provisions

The provisions of this Article 3 shall supersede any provision of Section 5.18 or 12.1 to the contrary.

4. [RESERVED]

The Company shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to (i) 1:00 P.M., New York City time, three (3) Business Days prior to the requested Borrowing Date in the case of a proposed borrowing of Term Benchmark Loans and (ii) 11:00 A.M., New York City time, on the requested Borrowing Date if the borrowing is to be solely of ABR Loans; **provided** that any such notice of a borrowing of ABR Loans to finance the reimbursement of an L/C Disbursement as contemplated by Section 2.6(a) may be given not later than 1:00 P.M., New York City time, on the date of the proposed borrowing) signed by a Responsible Officer of the Company specifying (A) the amount of the borrowing, (B) whether such Loans are initially to be Term Benchmark Loans or ABR Loans, or a combination thereof, (C) if the borrowing is to be entirely or partly Term Benchmark Loans, the length of the Interest Period for such Term Benchmark Loans and (D) the amount of such borrowing to be constituted by Revolving Credit Loans and/or Incremental Revolving Credit Loans. Upon receipt of such notice the Administrative Agent shall promptly notify each Lender, which notice shall in any event be delivered to each Lender by 12:00 Noon, New York City time, on such date. Not later than 2:00 P.M., New York City time, on the Borrowing Date specified in such notice, each Lender shall make available to the Administrative Agent at the office of the Administrative Agent specified in Section 12.2 (or at such other location as the Administrative Agent may direct) in Dollars an amount in Same Day Funds equal to the amount of the Loan to be made by such Lender. (b) Any borrowing of Term Benchmark Loans by the Company hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, (i) except as provided in Section 2.1(b), the aggregate principal amount of all Term Benchmark Loans having the same Interest Period shall not be less than \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof, and (ii) no more than ten Interest Periods shall be in effect at any one time with respect to Term Benchmark Loans.

5.2 Repayment of Loans; Evidence of Debt

(a) The Company hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender on the Revolving Credit Termination Date (or such earlier date on which the Revolving Credit Loans become due and payable pursuant to Article 10). The Company hereby further agrees to pay interest on the unpaid principal amount of the Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 5.7.

(b) At all times during a period when a Cash Dominion Event has occurred and is continuing, on each Business Day, the Administrative Agent shall apply all funds credited to the Collection Account as of 10:00 A.M., New York City time, on such Business Day (whether or not immediately available), **first**, to prepay any Protective Advances, **second**, to prepay the Revolving Credit Loans **third**, to the payment of any Revolving L/C Obligations then outstanding, and **fourth**, to Cash Collateralize outstanding Letters of Credit, without a corresponding reduction in the Revolving Credit Commitments. Notwithstanding the foregoing, to the extent any funds credited to the Collection Account constitute Proceeds, the application of such proceeds shall be subject to Section 5.6(c).

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Company to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(d) The Administrative Agent shall maintain the Register pursuant to Section 12.6(d), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Company to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Company and each Lender's share thereof.

(e) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 5.2(c) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Company therein recorded; **provided**, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Company to repay (with applicable interest) the Loans made to such Company by such Lender in accordance with the terms of this Agreement.

5.3 Conversion and Continuation Options

(a) The Company may elect from time to time to convert Term Benchmark Loans into ABR Loans by giving the Administrative Agent irrevocable notice of such election, to be received by the Administrative Agent prior to 12:00 Noon, New York City time, at least three (3) Business Days prior to the proposed conversion date, **provided** that any such conversion of Term Benchmark Loans shall only be made on the last day of an Interest Period with respect thereto. The Company may elect from time to time to convert all or a portion of the ABR Loans then outstanding to Term Benchmark Loans by giving the Administrative Agent irrevocable notice of such election, to be received by the Administrative Agent prior to 1:00 P.M., New York City time, at least three (3) Business Days prior to the proposed conversion date, specifying the Interest Period selected therefor, and, if no Default or Event of Default has occurred and is continuing, such conversion shall be made on the requested conversion date or, if such requested conversion date is not a Business Day, on the next succeeding Business Day. Upon receipt of any notice pursuant to this Section 5.3, the Administrative Agent shall promptly, but in any event by 2:00 P.M., New York City time, notify each Lender thereof. All or any part of the outstanding Loans may be converted as provided herein, **provided** that partial conversions of Loans shall be in the aggregate principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof, and the aggregate principal amount of the resulting Term Benchmark Loans outstanding in respect of any one Interest Period shall be at least \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof.

(b) The Company may elect from time to time to continue Term Benchmark Loans upon the expiry of the then current Interest Period with respect to such Term Benchmark Loans by giving the Administrative Agent irrevocable notice of such election, either in writing signed by a Responsible Officer of the Company or by electronic means (including e-mail) if arrangements for doing so have been approved by the Administrative Agent, in either case delivered prior to 1:00 P.M., New York City time, at least three (3) Business Days prior to the end of such Interest Period, and in each case specifying the new Interest Period selected therefor, **provided** that any such continuation shall only be made on the last day of an Interest Period with respect thereto. If the Company fails to timely deliver such notice with respect to a Term Benchmark Loan, such Term Benchmark Loan, unless repaid as provided herein, shall be converted to a borrowing of ABR Loans at the end of the Interest Period applicable thereto. Notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing

and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then no outstanding borrowing of Revolving Credit Loans may be continued or converted to Term Benchmark Loans and, unless repaid, each Term Benchmark Loan shall be converted to a borrowing of ABR Loans at the end of the Interest Period applicable thereto.

(c) For the avoidance of doubt, so long as a Default or Event of Default has occurred and is continuing, and the Administrative Agent, at the request of the Required Lenders, so notifies the Company, then no outstanding borrowing of Revolving Credit Loans may be continued or converted as an RFR Borrowing and, unless repaid, each RFR Borrowing shall be converted to a borrowing of ABR Loans on the Interest Payment Date applicable thereto.

5.4 Changes of Commitment Amounts

(a) The Company shall have the right, upon not less than three (3) Business Days' notice to the Administrative Agent, to terminate or, from time to time, reduce the Revolving Credit Commitments subject to the provisions of this Section 5.4. To the extent, if any, that the sum of the Revolving Credit Loans and Revolving L/C Obligations then outstanding and the amounts available to be drawn under outstanding Letters of Credit exceeds the Line Cap (after giving effect to the Revolving Credit Commitments as then reduced), the Company shall be required to make a prepayment equal to such excess amount, the proceeds of which shall be applied **first**, to prepay any Protective Advances, **second**, to payment of the Revolving Credit Loans then outstanding, **third**, to payment of any Revolving L/C Obligations then outstanding, and **fourth**, to Cash Collateralize any outstanding Letters of Credit on terms reasonably satisfactory to the Administrative Agent. Any such termination of the Revolving Credit Commitments shall be accompanied by prepayment in full of the Revolving Credit Loans and Revolving L/C Obligations then outstanding and by Cash Collateralization of any outstanding Letter of Credit on terms reasonably satisfactory to the Administrative Agent by way of a deposit with the Administrative Agent into the Cash Collateral Account an amount of cash collateral equal to 105% of the aggregate undrawn stated amount of all outstanding Letters of Credit as security for the Finance Obligations to the extent that such Letters of Credit are not otherwise paid or cash collateralized at such time. Upon termination of the Revolving Credit Commitments, any Letter of Credit then outstanding which has been so Cash Collateralized shall no longer be considered a "**Letter of Credit**", as defined in Section 1.1 and any L/C Participating Interests heretofore granted by the Issuing Lender to the Lenders in such Letter of Credit shall be deemed terminated (subject to automatic reinstatement in the event that such cash collateral is returned and the Issuing Lender is not fully reimbursed for any such Revolving L/C Obligations), but the Letter of Credit fees payable under Section 5.11 shall continue to accrue to the Issuing Lender (or, in the event of any such automatic reinstatement, as provided in Section 5.11) with respect to such Letter of Credit until the expiry thereof.

(b) Interest accrued on the amount of any partial prepayment pursuant to this Section 5.4 to the date of such partial prepayment shall be paid on the Interest Payment Date next succeeding the date of such partial prepayment. In the case of the termination of the Revolving Credit Commitments, interest accrued on the amount of any prepayment relating thereto and any unpaid Commitment Fee accrued hereunder shall be paid on the date of such termination. Any such partial reduction of the Revolving Credit Commitments shall be in an amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof, and shall reduce permanently the Revolving Credit Commitments then in effect.

5.5 Optional Prepayments

The Company may at any time and from time to time prepay Loans, in whole or in part, upon irrevocable notice to the Administrative Agent (i) one (1) Business Day in advance (to be received no later than 3:00 P.M., New York City time, on such Business Day) in the case of

ABR Loans, (ii) three (3) Business Days in advance (to be received no later than 3:00 P.M., New York City time, on such Business Day) in the case of Term Benchmark Loans or (iii) five (5) U.S. Government Securities Business Days in advance (to be received no later than 3:00 P.M., New York City time, on such Business Day) in the case of RFR Loans and specifying the date and amount of prepayment; **provided** that RFR Loans and Term Benchmark Loans prepaid on any date other than the last day of any Interest Period with respect thereto shall be prepaid subject to the provisions of Section 5.21. Upon receipt of such notice the Administrative Agent shall promptly notify each Lender thereof. If such notice is given, the Company shall make such prepayment, and the payment amount specified in such notice shall be due and payable, on the date specified therein. Accrued interest on the amount of any Loans paid in full pursuant to this Section 5.5 shall be paid on the date of such prepayment. Accrued interest on the amount of any partial prepayment shall be paid on the Interest Payment Date next succeeding the date of such partial prepayment. Partial prepayments shall be in an aggregate principal amount equal to the lesser of (A) \$1,000,000 or a whole multiple of \$500,000 in excess thereof and (B) the aggregate unpaid principal amount of the applicable Loans, as the case may be.

5.6 Mandatory Prepayments

(a) In the event and on such occasion that the Aggregate Revolving Credit Extensions of Credit exceeds the Line Cap (including after giving effect to any reductions in the Revolving Credit Commitments pursuant to Section 5.4(a)), the Company shall prepay Revolving Credit Loans (or, if no such Loans are outstanding, deposit cash collateral in an account with the Administrative Agent on terms reasonably satisfactory to the Administrative Agent) and Cash Collateralize the Revolving L/C Obligations in an aggregate amount equal to such excess.

(b) Upon the Revolving Credit Termination Date, the Company shall, with respect to each then outstanding Letter of Credit, if any, either (i) cause such Letter of Credit to be cancelled without such Letter of Credit being drawn upon or (ii) Cash Collateralize the Revolving L/C Obligations with respect to such Letter of Credit with a letter of credit issued by banks or a bank satisfactory to the Administrative Agent on terms satisfactory to the Administrative Agent.

(c) If any Credit Party receives any Proceeds in respect of any Prepayment Event, then the Company shall, within five (5) Business Days following such Credit Party's receipt of such Proceeds, prepay the Obligations in an aggregate amount equal to the lesser of 100% of such Proceeds and the aggregate outstanding principal amount of the Loans; **provided** that, if no Cash Dominion Event is then in existence, then the Company shall, within five (5) Business Days after its receipt of such Proceeds, deliver to the Administrative Agent a certificate of a Responsible Officer to the effect that the Credit Parties intend to apply the Proceeds from such Prepayment Event (or a portion thereof specified in such certificate) within six (6) months after receipt of such Proceeds to acquire equipment, inventory or other tangible assets to be used in the business of the Credit Parties, and certifying that no Cash Dominion Event has occurred and is continuing, and then either (i) so long as no Cash Dominion Event has occurred or is in effect, no prepayment shall be required pursuant to this paragraph (c) in respect of the Proceeds specified in such certificate (**provided** that, any portion of the Proceeds not reinvested pursuant to this paragraph (c) by the 180th day after receipt of such Proceeds shall be repaid by such 180th day in an aggregate amount equal to the lesser of 100% of such non-reinvested Proceeds and the aggregate outstanding principal amount of the Loans), or (ii) if a Cash Dominion Event has occurred and is continuing and such Proceeds have not been applied to repay the Loans, then the Company shall deposit such Proceeds into the Collection Account and, thereafter, such funds shall be made available to the applicable Credit Party as follows:

(A) the Company shall request that a release (specifying that the request is to use Proceeds pursuant to this Section 5.6(c)) from the Collection Account be made in the amount needed; and

(B) so long as the conditions set forth in Section 7.3 have been met, the Administrative Agent shall release funds from the Collection Account.

All prepayments made under this Section 5.6(c) shall be made without a permanent reduction of the Revolving Credit Commitment.

5.7 Interest Rates and Payment Dates

(a) Each Protective Advance shall bear interest for the period from and including the date thereof until repayment thereof on the unpaid principal amount thereof at a rate per annum equal to the ABR plus the Applicable Margin.

(b) Each (i) Term Benchmark Loan shall bear interest for each day during each Interest Period with respect thereto on the unpaid principal amount thereof at a rate *per annum* equal to the Adjusted Term SOFR Rate determined for such Interest Period *plus* the Applicable Margin and (ii) RFR Loan shall bear interest for the period from and including the date thereof until maturity thereof on the unpaid principal amount thereof at a rate *per annum* equal to Adjusted Daily Simple SOFR *plus* the Applicable Margin.

(c) Each ABR Loan shall bear interest for the period from and including the date thereof until maturity thereof on the unpaid principal amount thereof at a rate per annum equal to the ABR plus the Applicable Margin.

(d) While an Event of Default exists (and without limiting the rights of the Lenders under Article 10), the Company shall pay interest on the principal amount of all outstanding Obligations at a fluctuating interest rate per annum equal to (A) in the case of overdue principal, 2.00% above the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section or (B) in the case of overdue interest and fees, 2.00% above the rate described in paragraph (c) of this Section for Revolving Credit Loans which are ABR Loans, in each case from the date of such nonpayment or Event of Default, as applicable, until such amount is paid in full (as well after as before judgment).

(e) Interest shall be payable in arrears on each Interest Payment Date; **provided** that interest accruing pursuant to paragraph (d) of this Section shall be payable on demand by the Administrative Agent made at the request of the Required Lenders.

5.8 Computation of Interest and Fees

(a) Interest in respect of ABR Loans at any time the ABR is calculated based on the Prime Rate shall be calculated on the basis of a 365 or 366, as the case may be, day year for the actual days elapsed. Interest in respect of Term Benchmark Loans, RFR Loans and ABR Loans at any time the ABR is not calculated based on the Prime Rate and all fees hereunder shall be calculated on the basis of a three hundred and sixty (360) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Company and the Lenders of each determination of the Relevant Rate. Any change in the interest rate on a Loan resulting from a change in the ABR shall become effective as of the opening of business on the day on which such change in the ABR becomes effective. The Administrative Agent shall as soon as practicable notify the Company and the Lenders of the effective date and the amount of each such change.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Company and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Company, deliver to the Company a statement showing the quotations used by the Administrative Agent in determining the Relevant Rate.

5.9 Commitment Fees

(a) The Company agrees to pay to the Administrative Agent, for the account of each Lender, a commitment fee (a "**Commitment Fee**"), in Dollars, which shall accrue at the Commitment Fee Rate on the average daily amount of such Lender's Available Revolving Credit Commitment outstanding from time to time during the period from and including the earlier of (x) the Funding Date and (y) October 1, 2018 to but excluding the Revolving Credit Termination Date.

(b) Commitment Fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth (15th) day following such last day and on the date on which the Revolving Credit Commitments terminate.

5.10 Certain Fees

The Company agrees to pay to the Administrative Agent for its own account a non-refundable agent's fee, and to JPMCB all other fees, in each case, in the amount and payable on such dates as provided in the Fee Letter (as the same may be amended, supplemented, and restated or otherwise modified from time to time).

5.11 Letter of Credit Fees

(a) The Company agrees to pay the Administrative Agent a Letter of Credit fee in Dollars, for the account of the Issuing Lender and the Participating Lenders, on the daily outstanding amount available to be drawn under each Letter of Credit at a rate per annum equal to the Applicable Margin for Revolving Credit Loans which are Term Benchmark Loans in effect on such day, whether or not there are any such Term Benchmark Loans outstanding at such time, payable in arrears. The Letter of Credit fees accrued through and including the last day of March, June, September and December of each year shall be payable on such last day; **provided** that all such fees shall be payable on the Revolving Credit Termination Date and any such fees accruing after the Revolving Credit Termination Date shall be payable on demand.

(b) In addition, notwithstanding the specification of any inconsistent fronting or other similar fee contained in any L/C Application, the Company shall pay to the Issuing Lender (solely for its own account as Issuing Lender of such Letter of Credit and not on account of its L/C Participating Interest therein) with respect to each Letter of Credit, during the period from and including the Execution Date to the Revolving Credit Termination Date and on the Revolving Credit Termination Date, (i) the fronting fee as set forth in the Fronting Fee Letter, together with (ii) the Issuing Lender's standard documentary, processing, administrative, issuance, amendment and negotiation fees and out of pocket expenses only, in connection with Letters of Credit. Any such fees accruing after the Revolving Credit Termination Date shall be payable on demand. Any other fees, costs and expenses payable to the Issuing Lender pursuant to this paragraph shall be payable within ten (10) days after demand by the Issuing Lender.

5.12 Letter of Credit Reserves

(a) If any Change in Law after the date of this Agreement shall either (i) impose, modify, deem or make applicable any reserve, special deposit, assessment or similar

requirement against letters of credit issued by the Issuing Lender or (ii) impose on the Issuing Lender any other condition regarding this Agreement or any Letter of Credit, and the result of any event referred to in clause (i) or (ii) above shall be to increase the cost to the Issuing Lender of issuing or maintaining any Letter of Credit (which increase in cost shall be the result of the Issuing Lender's reasonable allocation of the aggregate of such cost increases resulting from such events), then, upon demand by the Issuing Lender, the Company shall immediately pay to the Issuing Lender, from time to time as specified by the Issuing Lender, additional amounts which shall be sufficient to compensate the Issuing Lender for such increased cost, together with interest on each such amount from the date demanded until payment in full thereof at a rate per annum equal to the ABR plus the Applicable Margin for ABR Loans. A certificate submitted by the Issuing Lender to the Company concurrently with any such demand by the Issuing Lender, shall be conclusive, absent manifest error, as to the amount thereof.

(b) In the event that at any time after the date hereof any Change in Law with respect to the Issuing Lender shall, in the opinion of the Issuing Lender, require that any obligation under any Letter of Credit be treated as an asset or otherwise be included for purposes of calculating the appropriate amount of capital or liquidity to be maintained by the Issuing Lender or any corporation controlling the Issuing Lender, and such Change in Law shall have the effect of reducing the rate of return on the Issuing Lender's or such corporation's capital, as the case may be, as a consequence of the Issuing Lender's obligations under such Letter of Credit to a level below that which the Issuing Lender or such corporation, as the case may be, could have achieved but for such Change in Law (taking into account the Issuing Lender's or such corporation's policies, as the case may be, with respect to capital adequacy) by an amount deemed by the Issuing Lender to be material, then from time to time following notice by the Issuing Lender to the Company of such Change in Law, within fifteen (15) days after demand by the Issuing Lender, the Company shall pay to the Issuing Lender such additional amount or amounts as will compensate the Issuing Lender or such corporation, as the case may be, for such reduction. If the Issuing Lender becomes entitled to claim any additional amounts pursuant to this Section 5.12(b), it shall promptly notify the Company of the event by reason of which it has become so entitled. A certificate submitted by the Issuing Lender to the Company concurrently with any such demand by the Issuing Lender, shall be conclusive, absent manifest error, as to the amount thereof.

(c) The Company agrees that the provisions of the foregoing paragraphs (a) and (b) and the provisions of each L/C Application providing for reimbursement or payment to the Issuing Lender in the event of the imposition or implementation of, or increase in, any reserve, special deposit, capital adequacy or similar requirement in respect of the Letter of Credit relating thereto shall apply equally to each Participating Lender in respect of its L/C Participating Interest in such Letter of Credit, as if the references in such paragraphs and provisions referred to, where applicable, such Participating Lender or any corporation controlling such Participating Lender.

5.13 Further Assurances

The Company hereby agrees, from time to time, to do and perform any and all acts and to execute any and all further instruments reasonably requested by the Issuing Lender to effect more fully the purposes of this Agreement and the issuance of Letters of Credit hereunder. The Company further agrees to execute any and all instruments reasonably requested by the Issuing Lender in connection with the obtaining and/or maintaining of any insurance coverage applicable to any Letters of Credit.

5.14 Obligations Absolute

The payment obligations of the Company under this Agreement with respect to the Letters of Credit shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including, without limitation, the following circumstances:

(a) the existence of any claim, set-off, defense or other right which the Company or any of its Subsidiaries may have at any time against any beneficiary, or any transferee, of any Letter of Credit (or any Persons for whom any such beneficiary or any such transferee may be acting), the Issuing Lender, any Agent or any Lender, or any other Person, whether in connection with this Agreement, the Related Documents, any Credit Documents, the transactions contemplated herein, or any unrelated transaction;

(b) any statement or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(c) payment by the Issuing Lender under any Letter of Credit against presentation of a draft or certificate which does not comply with the terms of such Letter of Credit, except where such payment constitutes gross negligence or willful misconduct on the part of the Issuing Lender; or

(d) any other circumstances or happening whatsoever, whether or not similar to any of the foregoing, except for any such circumstances or happening constituting gross negligence or willful misconduct on the part of the Issuing Lender.

5.15 Assignments

No Participating Lender's participation in any Letter of Credit or any of its rights or duties hereunder shall be subdivided, assigned or transferred (other than in connection with a transfer of part or all of such Participating Lender's Revolving Credit Commitment in accordance with Section 12.6) without the prior written consent of the Issuing Lender, which consent will not be unreasonably withheld. Such consent may be given or withheld without the consent or agreement of any other Participating Lender. Notwithstanding the foregoing, a Participating Lender may subparticipate its L/C Participating Interest without obtaining the prior written consent of the Issuing Lender.

5.16 Participations

Each Revolving Credit Lender's obligation to purchase participating interests pursuant to Sections 2.4 and 2.8 shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right which such Revolving Credit Lender may have against the Issuing Lender, the Company, or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default; (iii) any adverse change in the condition (financial or otherwise) of the Company; (iv) any breach of this Agreement by the Company or any other Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

5.17 Inability to Determine Interest Rate for Term Benchmark Loans and Alternate Interest Rate

(a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 5.17, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple SOFR; or

(ii) the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such borrowing for such Interest Period or (B) at any time, Adjusted Daily Simple SOFR will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such borrowing;

then the Administrative Agent shall give notice thereof to the Company and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Company delivers a new election request in accordance with the terms of Section 5.3 or a new request for borrowing in accordance with the terms of Section 5.1, any request by the Company for the conversion of any Revolving Credit Loan to, or continuation of any Revolving Credit Loan as, a Term Benchmark Loan and any request by the Company for a Term Benchmark Borrowing shall instead be deemed to be an election request or a borrowing request, as applicable, for (1) a RFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 5.17(a)(i) or (ii) above or (2) an ABR Loan if the Adjusted Daily Simple SOFR also is the subject of Section 5.17(a)(i) or (ii) above; **provided** that if the circumstances giving rise to such notice affect only one Type of Loan, then the other Types of Loans shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Company's receipt of the notice from the Administrative Agent referred to in this Section 5.17(a) with respect to the Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Company delivers a new interest election request in accordance with the terms of Section 5.3 or a new request for borrowing in accordance with the terms of Section 5.1, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing so long as the Adjusted Daily Simple SOFR is not also the subject of Section 5.17(a)(i) or (ii) above or (y) an ABR Loan if the Adjusted Daily Simple SOFR also is the subject of Section 5.17(a)(i) or (ii) above on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan.

(b) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance

with clause (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Credit Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(d) The Administrative Agent will promptly notify the Company and the Lenders of any occurrence of a Benchmark Transition Event, as applicable, the implementation of any Benchmark Replacement, the effectiveness of any Benchmark Replacement Conforming Changes, the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 5.17, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 5.17.

(e) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Company may revoke any request for (i) a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued or (ii) a RFR Borrowing or conversion to RFR Loans, during any Benchmark Unavailability Period and, failing that, the Company will be deemed to have converted any request for a Term Benchmark Borrowing or RFR Borrowing, as applicable, into a request for a borrowing of or conversion to (A) a RFR Borrowing so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (B) an ABR Loan if the Adjusted Daily Simple SOFR is the subject of a Benchmark Transition Event. During any

Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Company's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 5.17, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute (x) a RFR Borrowing so long as the Adjusted Daily Simple SOFR is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple SOFR is the subject of a Benchmark Transition Event, on such day and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute, an ABR Loan.

5.18 Pro Rata Treatment and Payments

(a) Each borrowing of any Loans by the Company from the Lenders, each payment by the Company on account of any fee hereunder (other than as set forth in Sections 5.10 and 5.11) and any reduction of the Revolving Credit Commitments or Revolving Credit Commitment Increases of the Lenders hereunder shall be made pro-rata according to the Commitment Percentages of the Lenders. Each payment (including each prepayment) by the Company on account of principal of and interest on the Loans (other than as set forth in Sections 5.6, 5.19, 5.20 and 5.21) shall be made pro-rata according to the Commitment Percentages of the Lenders. All payments (including prepayments) to be made by the Company on account of principal, interest and fees shall be made without set-off or counterclaim and shall be made to the Administrative Agent, for the account of the Lenders, at the Administrative Agent's office located at 10 South Dearborn Street, Floor L2, Chicago, Illinois in Same Day Funds. The Administrative Agent shall promptly distribute such payments ratably to each Lender in like funds as received to the extent required by this Agreement. If any payment hereunder (other than payments on Term Benchmark Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Term Benchmark Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension unless the result of such extension would be to extend such payment into another calendar month in which event such payment shall be made on the immediately preceding Business Day. All payments hereunder shall be made in Dollars.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a Borrowing Date (or with respect to an ABR Loan, on the Borrowing Date) that such Lender will not make the amount which would constitute its Commitment Percentage of the borrowing on such date available to the Administrative Agent, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Borrowing Date in accordance with Section 5.1, and the Administrative Agent may, in reliance upon such assumption, make available to the Company a corresponding amount. If such amount is made available to the Administrative Agent by such Lender on a date after such Borrowing Date, such Lender shall pay to the Administrative Agent on demand an amount equal to the product of (i) the daily average NYFRB Rate during such period as quoted by the Administrative Agent, times (ii) the amount of such Lender's Commitment Percentage of such borrowing, times (iii) a fraction the numerator of which is the number of days that elapse from and including such Borrowing Date to the date on which such Lender's Commitment Percentage of such borrowing shall have become immediately available to the Administrative Agent and the denominator of which is 360. A certificate of the Administrative Agent submitted to any Lender

with respect to any amounts owing under this Section 5.18(b) shall be conclusive, absent manifest error. If such Lender's Commitment Percentage of such borrowing is not in fact made available to the Administrative Agent by such Lender within three (3) Business Days of such Borrowing Date, the Administrative Agent shall be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans hereunder on demand, from the Company without prejudice to any rights which the Company or the Administrative Agent may have against such Lender hereunder. Nothing contained in this Section 5.18(b) shall relieve any Lender which has failed to make available its ratable portion of any borrowing hereunder from its obligation to do so in accordance with the terms hereof.

(c) The failure of any Lender to make the Loan to be made by it on any Borrowing Date shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on such Borrowing Date, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on such Borrowing Date.

(d) All payments and prepayments (other than mandatory prepayments as set forth in Section 5.6 and other than prepayments as set forth in Section 5.20 with respect to increased costs) of Term Benchmark Loans hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of all Term Benchmark Loans with the same Interest Period shall not be less than \$1,000,000 or a whole multiple of \$500,000 in excess thereof.

(e) Any proceeds of Collateral received by any Collateral Agent (i) not constituting either (A) a specific payment of principal, interest, fees or other sum payable under the Credit Documents (which shall be applied as specified by the Company), (B) a mandatory prepayment (which shall be applied in accordance with Section 5.6) or (C) amounts to be applied from the Collection Account when a Cash Dominion Event has occurred and is continuing (which shall be applied in accordance with Section 5.2(b)) and (ii) after an Event of Default has occurred and is continuing, whenever the Administrative Agent so elects or the Required Lenders so direct, shall be applied ratably **first**, to pay any fees, indemnities, or expense reimbursements including amounts then due to the Administrative Agent, the Collateral Agent and the Issuing Lender from the Company (other than in connection with Cash Management Obligations or Swap Obligations), **second**, to pay any fees, indemnities or expense reimbursements then due to the Lenders from the Company (other than in connection with Cash Management Obligations or Swap Obligations), **third**, to pay interest due in respect of the Protective Advances, **fourth**, to pay the principal of the Protective Advances, **fifth**, to pay interest then due and payable on the Loans (other than Protective Advances) ratably, **sixth**, to prepay principal on the Loans (other than Protective Advances), unreimbursed L/C Disbursements and, to the extent that Reserves have been established with respect to such amounts, amounts owing with respect to Designated Cash Management Obligations and Designated Swap Obligations, ratably, **seventh**, to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the amounts available to be drawn under outstanding Letters of Credit, to be held as cash collateral for Obligations in respect of Letters of Credit, **eighth**, to payment of any amounts owing with respect to all other Cash Management Obligations or Swap Obligations that constitute Finance Obligations up to and including the amount then due to the relevant parties, and **ninth**, to the payment of any other Finance Obligation due to the Administrative Agent, the Collateral Agent or any Lender by the Company. Any application of funds pursuant to this Section 5.18 to Revolving Credit Loans shall be applied **first**, to ABR Loans, **second**, to RFR Loans and **third**, to Term Benchmark Loans. Notwithstanding the foregoing, amounts received from any Credit Party shall not be applied to any Excluded Swap Obligation (as such term is defined in the Guaranty) of such Credit Party. Notwithstanding anything to the contrary contained in this Agreement, unless so directed by the Company, or unless a Default is in existence, neither the Administrative Agent nor any Lender shall apply any payment which it receives to any Term Benchmark Loan, except (a) on the

expiry date of the Interest Period applicable thereto or (b) in the event, and only to the extent, that there are no outstanding ABR Loans and, in any such event, the Company shall pay the break funding payment required in accordance with Section 5.21.

5.19 Illegality

Notwithstanding any other provisions herein, if any Requirement of Law or any change therein or in the interpretation or application thereof occurring after the Execution Date shall make it unlawful for such Lender to make or maintain Term Benchmark Loans or RFR Loans as contemplated by this Agreement, the commitment of such Lender hereunder to make Term Benchmark Loans or RFR Loans or to convert all or a portion of ABR Loans into Term Benchmark Loans or RFR Loans shall forthwith be cancelled and such Lender's Loans then outstanding as Term Benchmark Loans, if any, shall, if required by law and if such Lender so requests, be converted automatically to ABR Loans on the date specified by such Lender in such request. To the extent that such affected Term Benchmark Loans or RFR Loans are converted into ABR Loans, all payments of principal which would otherwise be applied to such Term Benchmark Loans or RFR Loans shall be applied instead to such Lender's ABR Loans. The Company hereby agrees promptly to pay any Lender, upon its demand, any additional amounts necessary to compensate such Lender for any costs incurred by such Lender in making any conversion in accordance with this Section 5.19 including, but not limited to, any interest or fees payable by such Lender to lenders of funds obtained by it in order to make or maintain its Term Benchmark Loans or RFR Loans hereunder (such Lender's notice of such costs, as certified to the Company through the Administrative Agent, to be conclusive absent manifest error).

5.20 Requirements of Law

(a) In the event that, at any time after the date hereof, any Change in Law or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority:

(i) does or shall subject any Agent or Lender (or its Lending Office) to any fee of any kind whatsoever with respect to this Agreement, any Note or any Term Benchmark Loans or RFR Loans made by it, or change the basis of imposition of any such fee;

(ii) does or shall impose, modify or hold applicable any reserve, special deposit, compulsory loan, insurance charge, liquidity or similar requirement against assets held by, or deposits or other liabilities in or for the account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender which are not otherwise included in the determination of the Term SOFR Rate or Daily Simple SOFR;

(iii) does or shall impose on such Lender any other condition, cost or expense;

and the result of any of the foregoing is to increase the cost to such Lender of making, continuing, converting, renewing or maintaining advances or extensions of credit or to reduce any amount receivable hereunder, in each case, in respect of its Term Benchmark Loans or RFR Loans, then, in any such case, the Company, shall promptly pay such Lender, on demand, any additional amounts necessary to compensate such Lender for such additional cost or reduced amount receivable as determined by such Lender with respect to such Term Benchmark Loans or RFR Loans together with interest on each such amount from the date demanded until payment in full thereof at a rate per annum equal to the ABR plus the Applicable Margin for Revolving Credit Loans which are ABR Loans.

(b) In the event that at any time after the date hereof any Change in Law with respect to any Lender shall, in the opinion of such Lender, require that any Commitment of such Lender be treated as an asset or otherwise be included for purposes of calculating the appropriate amount of capital or liquidity to be maintained by such Lender or any corporation controlling such Lender, and such Change in Law shall have the effect of reducing the rate of return on such Lender's or such corporation's capital or liquidity, as the case may be, as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation, as the case may be, could have achieved but for such Change in Law (taking into account such Lender's or such corporation's policies, as the case may be, with respect to capital adequacy and liquidity), then from time to time following notice by such Lender to the Company of such Change in Law as provided in paragraph (c) of this Section 5.20, within fifteen (15) days after demand by such Lender, the Company shall pay to such Lender such additional amount or amounts as will compensate such Lender or such corporation, as the case may be, for such reduction. Notwithstanding the foregoing, no Lender shall be entitled to seek compensation under this Section 5.20(b) based on the occurrence of a Change in Law unless such Lender is generally seeking compensation from other borrowers in the United States loan market with respect to its similarly affected commitments, loans and/or participations under agreements with such borrowers having provisions similar to this Section 5.20(b).

(c) If any Lender becomes entitled to claim any additional amounts pursuant to this Section 5.20, it shall promptly notify the Company through the Administrative Agent, of the event by reason of which it has become so entitled. The Company shall not be required to make any payments to any Lender for any additional amounts pursuant to this Section 5.20 unless such Lender has given written notice to the Company, through the Administrative Agent, of its intent to request such payments prior to or within one hundred and eighty (180) days after the date on which such Lender became entitled to claim such amounts. If any Lender has notified the Company through the Administrative Agent of any increased costs pursuant to paragraph (a) of this Section 5.20, the Company at any time thereafter may, upon at least two (2) Business Days' notice to the Administrative Agent (which shall promptly notify the Lenders thereof), and subject to Section 5.21, prepay or convert into ABR Loans all (but not a part) of the Term Benchmark Loans and/or RFR Loans then outstanding. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of paragraph (a) of this Section 5.20 with respect to such Lender, it will, if requested by the Company, and to the extent permitted by law or by the relevant Governmental Authority, endeavor in good faith to avoid or minimize the increase in costs or reduction in payments resulting from such event (including, without limitation, endeavoring to change its Lending Office); **provided**, however, that such avoidance or minimization can be made in such a manner that such Lender, in its sole determination, suffers no economic, legal or regulatory disadvantage. If any Lender has notified the Company, through the Administrative Agent, of any increased costs pursuant to paragraph (b) of this Section 5.20, the Company at any time thereafter may, upon at least three (3) Business Days' notice to the Administrative Agent (which shall promptly notify the Lender thereof), and subject to Section 5.21, reduce or terminate the Revolving Credit Commitments in accordance with Section 5.4.

(d) A certificate submitted by such Lender, through the Administrative Agent, to the Company shall be conclusive in the absence of manifest error. The covenants contained in this Section 5.20 shall survive the termination of this Agreement and repayment of the outstanding Loans.

(e) Notwithstanding anything to the contrary herein, this Section 5.20 shall not apply to any Taxes, which shall be governed solely by Section 5.23.

5.21 Break Funding Payments

(a) With respect to Loans that are not RFR Loans, in the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 5.5 or 5.6), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked and is revoked in accordance therewith), or (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 5.22, then, in any such event, the Company shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.21(a) shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such Lender the amount shown as due on any such certificate within ten (10) days (or such later date as may be agreed by the applicable Lender) after receipt thereof.

(b) With respect to RFR Loans, in the event of (i) the payment of principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or as a result of any prepayment pursuant to Section 5.5 or 5.6), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 5.5 or 5.6 and is revoked in accordance therewith) or (iii) the assignment of any RFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 5.23(h), then, in any such event, the Company shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.21(b) shall be delivered to the Company and shall be conclusive absent manifest error. The Company shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

5.22 Replacement of Lenders

In the event any Lender (i) is a Defaulting Lender, (ii) exercises its rights pursuant to Section 5.19 or (iii) requests payments pursuant to Sections 5.20 or 5.23, the Company may require, at the Company's expense and subject to Section 5.21, such Lender or the Issuing Lender to assign, at par plus accrued interest and fees, without recourse (in accordance with Section 12.6) all of its interests, rights and obligations hereunder (including all of its Revolving Credit Commitments and the Loans and other amounts at the time owing to it hereunder and its interest in the Letters of Credit) to a bank, financial institution or other entity specified by the Company; **provided** that (i) such assignment shall not conflict with or violate any law, rule or regulation or order of any court or other Governmental Authority, (ii) the Company shall have received the written consent of the Administrative Agent (and, in the case of an assignment of a Revolving Credit Commitment, and of the Issuing Lender), which consent shall not unreasonably be withheld, to such assignment, (iii) the Company shall have paid to the assigning Lender all monies other than principal owing hereunder to it and (iv) in the case of a required assignment by the Issuing Lender, the Letters of Credit shall be canceled and returned to the Issuing Lender.

5.23 Taxes

(a) **Defined Terms.** For purposes of this Section 5.23, the term "**applicable Law**" includes FATCA, the term "**Lender**" includes any Issuing Lender, and the term "**Withholding Agent**" means the Company and the Administrative Agent.

(b) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of the Company under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Company shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the Administrative Agent, any Lender or the Issuing Lender, as the case may be, receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) **Payment of Other Taxes by the Company.** The Company shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) **Indemnification by the Company.** The Company shall indemnify the Administrative Agent, or any Lender, within twenty (20) days after demand therefor, for the full amount of any Indemnified Taxes arising from any and all payments by or on account of any obligation of the Company under any Credit Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) that are payable or paid by the Administrative Agent or any Lender or are required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) **Indemnification by the Lenders.** Each Lender shall severally indemnify the Administrative Agent, within twenty (20) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Company has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Company to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.6(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) **Evidence of Payments.** As soon as practicable after any payment of Taxes pursuant to this Section 5.23 by the Company to a Governmental Authority, the Company shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.23(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent, but only if the Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed copies of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Company

within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN-E; or

(C) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; **provided** that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct and indirect partner;

(D) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(E) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this sub-clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(h) **Lending Office.** Any Lender claiming additional amounts payable pursuant to this Section 5.23 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if, in the reasonable judgment of such Lender, the making of such change (i) would eliminate or reduce any such additional amounts payable to such Lender in the future and (ii) would not subject such Lender to any unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender.

(i) **Treatment of Certain Refunds.** If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.23 (including by the payment of additional amounts pursuant to Section 5.23(b)), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made or additional amounts paid under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (i) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (i) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(j) **Survival.** Each party's obligations under this Section 5.23 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

5.24 Defaulting Lenders

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Commitment Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 5.9;

(b) Such Defaulting Lender shall not have the right to vote on any issue on which voting is required (other than the matters provided in Section 12.1(i) requiring the consent of such affected Lender), and the Revolving Credit Commitments and the Revolving Credit Commitment Percentages in outstanding Revolving Credit Loans of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.1); **provided**, that, except as otherwise provided in Section 12.1, this paragraph (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of all Lenders or of each Lender affected thereby;

(c) if any amount outstanding in respect of Letters of Credit exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Revolving Credit Commitment Percentage of such Defaulting Lender in Letters of Credit shall be reallocated among the non-Defaulting Lenders in accordance with their respective Revolving Credit Commitment Percentages but only to the extent that (x) the sum of all non-Defaulting Lenders' Revolving Credit Commitment Percentages in Revolving Credit Loans and in Letters of Credit plus such Defaulting Lender's Revolving Credit Commitment Percentage in

Letters of Credit does not exceed the total of all non-Defaulting Lenders' Commitments, (y) the conditions set forth in Section 7.3 are satisfied at such time (and, unless the Company shall have otherwise notified the Administrative Agent at such time, the Company shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (z) to the extent such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lender's Revolving Credit Loans, its Protective Advances and its Revolving Credit Commitment Percentages in Letters of Credit to exceed its Revolving Credit Commitment;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Company shall within one (1) Business Day following notice by the Administrative Agent Cash Collateralize, for the benefit of the Issuing Lender, the Company's obligations corresponding to such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 10.1 for so long as such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit is outstanding;

(iii) if the Company Cash Collateralizes any portion of such Defaulting Lender's Revolving L/C Obligations pursuant to clause (ii) above, the Company shall not be required to pay any fees to such Defaulting Lender pursuant to Section 5.11 with respect to such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit during the period such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit is Cash Collateralized;

(iv) if the Revolving Credit Commitment Percentage in Letters of Credit of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 5.9 and Section 5.11 shall be adjusted in accordance with such non-Defaulting Lenders' Revolving Credit Commitment Percentages; and

(v) if all or any portion of such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit is neither reallocated nor Cash Collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Lender or any other Lender hereunder, all Commitment Fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such Revolving Credit Commitment Percentage in Letters of Credit) and Letter of Credit fees payable under Section 5.11 with respect to such Defaulting Lender's Revolving Credit Commitment Percentage in Letters of Credit shall be payable to the Issuing Lender until and to the extent that such Revolving Credit Commitment Percentage in Letters of Credit is reallocated and/or Cash Collateralized; and

(d) so long as such Lender is a Defaulting Lender, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's Revolving Credit Commitment Percentage in then outstanding Letters of Credit will be 100% covered by the Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Company in accordance with Section 5.24(c), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 5.24(c)(i) (and such Defaulting Lender shall not participate therein).

If (i) a Bankruptcy Event or Bail-In Action with respect to the parent of any Lender shall occur following the Execution Date and for so long as such event shall continue or (ii) the

Issuing Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless the Issuing Lender shall have entered into arrangements with the Company or such Lender, satisfactory to the Issuing Lender to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Company and the Issuing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Participating Interest of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitments and on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Credit Commitments.

5.25 Cash Dominion

At all times subject to the following sentence, all Deposit Accounts, Securities Accounts and Commodities Accounts (other than any Excluded Account for so long as such account is an Excluded Account) of the Credit Parties shall be Controlled Accounts. The Credit Parties will, in connection with any Deposit Account, Securities Account or Commodity Account (other than any Excluded Account for so long as such account is an Excluded Account), enter into and deliver to the Collateral Agent a Control Agreement and/or lockbox agreement, in each case in form and substance acceptable to the Collateral Agent, on the following dates (or, in each case, such later date as the Collateral Agent may agree in its sole discretion): (i) with respect to any such account established on or before the date that is sixty (60) days after the Funding Date, the date that is ninety (90) days after the Funding Date or (ii) with respect to any such account established after the date that is sixty (60) days after the Funding Date, promptly but in any event within thirty (30) days of the date such account is established. Each Credit Party shall be subject to cash dominion at all times a Cash Dominion Event has occurred and is continuing. At any time that a Cash Dominion Event has occurred and is continuing, cash on hand and collections which are received into any Controlled Account, and, to the extent necessary, any securities held in any Securities Account shall be liquidated and the cash proceeds thereof, shall be swept on a daily basis into the Collection Account and used to prepay Loans outstanding under this Agreement in accordance with Section 5.2(b). During any time that a Cash Dominion Event has occurred and is continuing, all proceeds of any Loan shall be deposited into a Deposit Account that is a Controlled Account and maintained with the Administrative Agent.

6. REPRESENTATIONS AND WARRANTIES

In order to induce the Lenders to enter into this Agreement and to make the Loans and to induce the Issuing Lenders to issue, and the Participating Lenders to participate in, the Letters of Credit, the Company hereby represents and warrants to each Lender and each Agent, on and as of the Execution Date and on the Funding Date and on the date of each Loan made or Letter of Credit issued thereafter, that:

6.1 Corporate Existence; Compliance with Law

Each Credit Party and each of its Restricted Subsidiaries (i) is a limited liability company, partnership or corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation, (ii) has the power and authority and the legal right to own and operate its property, to lease the property it operates and to conduct the business in which it is currently engaged, except to the extent that the failure to have such power, authority, or rights could not reasonably be expected to have a Material Adverse Effect, (iii) is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction where its ownership,

lease or operation of property or the conduct of its business requires such qualification, except where the failure to be so qualified could not reasonably be expected to have a Material Adverse Effect and (iv) is in compliance with all applicable Requirements of Law (including, without limitation, occupational safety and health, health care, pension, certificate of need, the Comprehensive Environmental Response, Compensation and Liability Act, any so-called "Superfund" or "Superlien" law, or any applicable federal, state, local or other statute, law, ordinance, code, rule, regulation, order or decree regulating, relating to, or imposing liability or legally enforceable standards of conduct concerning, any Materials of Environmental Concern and the Patriot Act), except to the extent that the failure to comply therewith could not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect.

6.2 Corporate Power; Authorization

Each Credit Party has the power and authority and the legal right to make, deliver and perform the Credit Documents to which it is a party; the Company has the power and authority and legal right to borrow hereunder and to have Letters of Credit issued for its account hereunder. Each Credit Party has taken all necessary corporate, stockholder, partnership or limited liability company action to authorize the execution, delivery and performance of the Credit Documents to which it is a party and, in the case of the Company, to authorize the borrowings hereunder and the issuance of Letters of Credit for its account hereunder. No consent or authorization of, or filing with, any Person (including, without limitation, any Governmental Authority) is required in connection with the execution, delivery or performance by any Credit Party, or the validity or enforceability against any Credit Party, of any Credit Document to the extent that it is a party thereto, other than any such consent or authorization which has been obtained or filing which has been made to the extent required hereunder, or the failure of which to obtain could have a Material Adverse Effect.

6.3 Enforceable Obligations

Each of the Credit Documents has been duly executed and delivered on behalf of each Credit Party party thereto and each of such Credit Documents constitutes the legal, valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

6.4 No Conflict with Law or Contractual Obligations

The performance of each Credit Document, and the use of the proceeds of the Loans and of drawings under the Letters of Credit will not violate any Requirement of Law or any material Contractual Obligation (including under such Credit Party's organizational documents) applicable to or binding upon any Credit Party, any of its Subsidiaries or any of its properties or assets, and will not result in the creation or imposition of (or the obligation to create or impose) any Lien (other than any Liens created pursuant to the Credit Documents) on any of its or their respective properties or assets pursuant to any Requirement of Law applicable to it or them, as the case may be, or any of its or their Contractual Obligations, except, in the case of any Contractual Obligations, for any such violations which could not reasonably be expected to have a Material Adverse Effect.

6.5 No Material Litigation

No litigation or investigation or proceeding of or by any Governmental Authority or any other Person is pending or has been overtly threatened against any Credit Party or any of its

Subsidiaries, (i) with respect to the validity, binding effect or enforceability of any Credit Document, or with respect to the Loans made hereunder, the use of proceeds thereof or of any drawings under a Letter of Credit, and the other transactions contemplated hereby or thereby, or (ii) which could reasonably be expected to have a Material Adverse Effect.

6.6 Borrowing Base Certificate

At the time of delivery of each Borrowing Base Certificate, assuming that any eligibility criteria that requires the approval or satisfaction of the Administrative Agent has been approved by or is satisfactory to the Administrative Agent, each Account reflected therein as eligible for inclusion in the Borrowing Base is an Eligible Account or Eligible Unbilled Account and the Inventory reflected therein as eligible for inclusion in the Borrowing Base constitutes Eligible Inventory.

6.7 Investment Company Act

No Credit Party is required to register as an “investment company” (as such term is defined or used in the Investment Company Act of 1940, as amended).

6.8 Federal Reserve Regulations

No part of the proceeds of any of the Loans or any drawing under a Letter of Credit will be used to “purchase” or “carry” “margin stock” within the meaning of Regulation U of the Board or for any other purpose which violates, or which would be inconsistent with, the provisions of Regulation T, U or X of the Board. Neither the Company nor any of its Subsidiaries is engaged or will engage, principally or as one of its important activities, in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” within the respective meanings of each of the quoted terms under said Regulation U.

6.9 No Default

Neither the Company nor any of its Restricted Subsidiaries is in default in the payment or performance of any of its or their Contractual Obligations in any respect which could reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of its Restricted Subsidiaries is in default under any order, award or decree of any Governmental Authority or arbitrator binding upon or affecting it or them or by which any of its or their properties or assets may be bound or affected in any respect which could reasonably be expected to have a Material Adverse Effect, and no such order, award or decree could reasonably be expected to materially adversely affect the ability of the Company and its Restricted Subsidiaries taken as a whole to carry on their businesses as presently conducted or the ability of any Credit Party to perform its obligations under any Credit Document to which it is a party.

6.10 Taxes

Each of the Company and its Restricted Subsidiaries has filed or caused to be filed or has timely requested an extension to file or has received an approved extension to file all Federal and all other material tax returns which are required to have been filed, and has paid all material Taxes shown to be due and payable on said returns or extension requests or on any assessments made against it or any of its property and all other material Taxes imposed on it or any of its property by any Governmental Authority (other than those the amount or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided in the books of the Company or its Restricted Subsidiaries, as the case may be); and no claims are being asserted in writing with respect to any such material Taxes (other than those the amount or validity of which is currently

being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided in the books of the Company or its Restricted Subsidiaries, as the case may be).

6.11 Subsidiaries

The Subsidiaries of the Company listed on Schedule 6.11(a) constitute all of the Domestic Subsidiaries of the Company as of the Execution Date.

6.12 Ownership of Property; Liens

Except as set forth in Schedule 6.12, the Company and each of its Restricted Subsidiaries has valid and subsisting Leasehold interests in all its respective material Real Property, and good title to or valid and subsisting Leasehold interests in all of its respective material other property, except, in each case, as such failure to have good and valid title or valid and subsisting Leasehold interests could not reasonably be expected to have a Material Adverse Effect, and none of such property is subject, except as permitted hereunder, to any Lien (including, without limitation, and subject to Section 9.3, Federal, state and other Tax liens).

6.13 ERISA

No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to have a Material Adverse Effect. The present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Accounting Standards Codification 715-30-35-1A) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such underfunded Plans, in each case by an amount that, if required to be paid by the Company and its Subsidiaries, would reasonably be expected to have a Material Adverse Effect.

6.14 Environmental Matters

(a) The Properties do not contain any Materials of Environmental Concern in concentrations which constitute a violation of, or could reasonably be expected to give rise to liability under, Environmental Laws that could reasonably be expected to have a Material Adverse Effect.

(b) The Properties and all operations at the Properties are in compliance with all applicable Environmental Laws, except for failure to be in compliance that could not reasonably be expected to have a Material Adverse Effect, and there is no contamination at, under or about the Properties that could reasonably be expected to have a Material Adverse Effect.

(c) Neither the Company nor any of its Restricted Subsidiaries has received any notice of violation, alleged violation, non-compliance, liability or potential liability regarding environmental matters or compliance with Environmental Laws with regard to the Properties that could reasonably be expected to have a Material Adverse Effect, nor does the Company or any Restricted Subsidiary have knowledge that any such action is being contemplated, considered or threatened.

(d) There are no judicial proceedings or governmental or administrative actions pending or threatened under any Environmental Law to which the Company or any Restricted Subsidiary is or will be named as a party with respect to the Properties that could

reasonably be expected to have a Material Adverse Effect, nor are there any consent decrees or other decrees, consent orders, administrative orders or other orders under any Environmental Law with respect to the Properties that could reasonably be expected to have a Material Adverse Effect.

6.15 Accuracy and Completeness of Financial Statements

(a) (i) The audited pro forma (after giving effect to the ESG Spin-Off Transaction) balance sheet of the Company and its Subsidiaries for the fiscal years ended January 31, 2018 and January 31, 2017 and the related audited pro forma (after giving effect to the ESG Spin-Off Transaction) consolidated statements of earnings (loss), parent company equity and cash flows for each of the two (2) years in the period ended January 31, 2018, reported on by Deloitte & Touche LLP, and (ii) the unaudited pro forma (after giving effect to the ESG Spin-Off Transaction) balance sheet of the Company and its Subsidiaries for the three (3) months ended April 30, 2018 and April 30, 2017, in each case, as reflected in the Form 10, present fairly, in all material respects, the financial position (on a pro forma basis after giving effect to the ESG Spin-Off Transaction) of the Company and its Subsidiaries, and their results of operations and cash flows, for each of the two (2) years in the period ended in January 31, 2019, and (in the case of each such unaudited balance sheet) the financial position of the Company and its Subsidiaries for each of the three months ended in April 30, 2018 and April 30, 2017, in conformity with GAAP.

(b) The projections delivered pursuant to Section 7.1(b) were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair in light of the conditions existing at the time of delivery of such forecasts, and represented, at the time of delivery, the Company's estimate of its future financial condition and performance.

6.16 Absence of Undisclosed Liabilities

Except as reflected in the Form 10 and except for the Loans, if any, incurred on the Funding Date, neither the Company nor any of its Restricted Subsidiaries has or is subject to any liabilities (absolute, accrued, contingent or otherwise), except liabilities or obligations which could not, individually or in the aggregate, reasonably be expected to constitute a Material Adverse Effect.

6.17 No Material Adverse Effect

Since December 31, 2017, other than as reflected in the Form 10, there has not been any event, occurrence, fact, condition, change, development or effect which individually or in the aggregate has had or could reasonably be expected to have a Material Adverse Effect.

6.18 Solvency

The Company is, individually and together with its Subsidiaries on a consolidated basis, (a) on the Execution Date and (b) immediately before and immediately after giving effect to any Extension of Credit to be made on and following the Funding Date, Solvent. No Credit Party intends to, nor will it permit any of its Subsidiaries to, nor does it believe that it or any of its Subsidiaries has or will, incur debts beyond its ability to pay such debts as they mature, taking into account the timing of and amounts of cash to be received by it or any such Subsidiary and the timing of the amounts of cash to be payable on or in respect of its Indebtedness or the Indebtedness of any such Subsidiary.

6.19 Intellectual Property

The Company and each of its Restricted Subsidiaries own, or possess the right to use, all of the trademarks, service marks, trade names, copyrights, patents, patent rights, franchises, licenses and other intellectual property rights that are reasonably necessary for the operation of their respective businesses, without conflict with the rights of any other Person. To the best knowledge of the Company, no slogan or other advertising device, product, process, method, substance, part or other material now employed, or now contemplated to be employed, by the Company or any of its Restricted Subsidiaries infringes upon any rights held by any other Person. No claim or litigation regarding any of the foregoing is pending or, to the best knowledge of the Company, threatened, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

6.20 Creation and Perfection of Security Interests

(i) *Article 9 Collateral.* The Pledge and Security Agreement is effective to create in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described therein to secure the Finance Obligations, and the Pledge and Security Agreement constitutes a fully perfected Lien on, and security interest in, all right, title and interest of the grantors thereunder in such of the Collateral in which a security interest can be perfected under Article 9 of the UCC to secure the Finance Obligations, in each case prior and superior in right to any other Person, other than with respect to Permitted Liens.

(ii) *Intellectual Property.* The Pledge and Security Agreement, together with an intellectual property security agreement, in form and substance reasonably agreed by the Company and the Administrative Agent will, when filed in the United States Patent and Trademark Office and the United States Copyright Office, constitute a fully perfected Lien on, and security interest in, all right, title and interest of the grantors thereunder in the United States patents, trademarks, copyrights, licenses and other intellectual property rights covered in such intellectual property security agreement to secure the Finance Obligations, in each case prior and superior in right to any other Person (it being understood that subsequent recordings in the United States Patent and Trademark Office and the United States Copyright Office may be necessary to perfect a lien on registered trademarks, trademark applications and copyrights acquired by the Credit Parties after the Execution Date).

(iii) *Status of Liens.* Each Collateral Agent, for the ratable benefit of the Secured Parties, will at all times have the Liens provided for in the Collateral Documents and, subject to the filing by the Collateral Agent of continuation statements to the extent required by the UCC or such other continuation statements or filings required by applicable Laws of the relevant applicable jurisdiction, the Collateral Documents (subject to and in accordance with their respective provisions) will at all times constitute valid and continuing liens of record and first priority perfected security interests in all the Collateral referred to therein to secure the Finance Obligations, except as priority may be affected by Permitted Liens. As of the Execution Date, no filings or recordings are required in order to perfect the security interests created under the Collateral Documents, except for filings or recordings listed on Schedule IV to the Pledge and Security Agreement, all of which listed filings and recordings have been made.

6.21 Accuracy and Completeness of Disclosure

The Company has disclosed to the Administrative Agent and the Lenders all agreements, instruments and corporate, partnership, limited liability company or other restrictions to which it

or any of its Restricted Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. No report, financial statement, certificate or other information furnished (whether in writing or orally) by or on behalf of the Company or any of its Restricted Subsidiaries to the Administrative Agent or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or under any other Credit Document (in each case as modified or supplemented by other information so furnished), taken as a whole, contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; **provided** that, with respect to projected financial information, the Company represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

6.22 Insurance

Schedule 6.22 sets forth a description of all insurance maintained by or on behalf of the Credit Parties and their Subsidiaries as of the Execution Date. (h) one or more judgments or decrees shall be entered against the Company or any of its Restricted Subsidiaries involving in the aggregate a liability (not paid or fully covered by insurance or indemnity) of \$2,500,000 or more to the extent that all such judgments or decrees shall remain unpaid or undischarged for a period of thirty (30) consecutive days without the same having been vacated, discharged, stayed or bonded pending appeal within the time required by the terms of such judgments or decrees; or

(i) except as contemplated by this Agreement or any other Credit Document, any Credit Document shall cease, for any reason, or in any material respect, to be in full force and effect or any party thereto shall so assert in writing; or

Except as expressly provided above in this Article 10, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

11. THE ADMINISTRATIVE AGENT; THE COLLATERAL AGENT; THE ISSUING LENDER

11.1 Appointment

(a) Each Lender hereby irrevocably designates and appoints JPMCB as the Administrative Agent under this Agreement and irrevocably authorizes JPMCB as Administrative Agent and Collateral Agent for such Lender and such Secured Party to take such action on its behalf under the provisions of the Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent or the Collateral Agent by the terms of the Credit Documents, together with such other powers as are reasonably incidental thereto.

(b) Notwithstanding any provision to the contrary elsewhere in this Agreement, none of the Agents shall have any duties or responsibilities, except those expressly set forth herein, and no fiduciary relationship with any Lender, implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into the Credit Documents against any Agent. The Company and each other Credit Party acknowledges and agrees that the Agents, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, the other Credit Parties and their respective Affiliates, and neither any Agent nor any Lender has any obligation to disclose any of such interests to the Company or any other Credit Party or any of their respective Affiliates.

(c) Each Lead Arranger, in its capacity as such, shall have no right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, no Lead Arranger shall have nor be deemed to have a fiduciary relationship with any Lender. Each Lender hereby makes the same acknowledgments with respect to the Lead Arrangers in their capacity as such as it makes with respect to the Agents in the preceding paragraph (b).

11.2 Delegation of Duties

The Administrative Agent may execute any of its duties under this Agreement and each of the other Credit Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Without limiting the foregoing, the Administrative Agent may appoint any of its affiliates as its agent to perform the functions of the Administrative Agent hereunder relating to the advancing of funds to the Company and distribution of funds to the Lenders and to perform such other related functions of the Administrative Agent hereunder as are reasonably incidental to such functions. Each Collateral Agent may execute any of its duties under this Agreement and each of the other Credit Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Without limiting the foregoing, each Collateral Agent may appoint any of its affiliates as its agent to perform the functions of the Collateral Agent hereunder relating to the advancing of funds to the Company and distribution of funds to the Lenders and to perform such other related functions of the Collateral Agent hereunder as are

reasonably incidental to such functions. None of the Agents shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care, except as otherwise provided in Section 11.3.

11.3 Exculpatory Provisions

Neither any Agent nor any of its officers, directors, employees, agents, attorneys-in-fact, Affiliates or Subsidiaries shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with the Credit Documents (except for its or such Person's own gross negligence or willful misconduct to the extent determined by a final, nonappealable judgment of a court of competent jurisdiction), or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in the Credit Documents or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, the Credit Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of the Credit Documents (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by facsimile, emailed .pdf or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Credit Party to perform its obligations thereunder. None of the Agents shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, any Credit Document, or to inspect the properties, books or records of any Credit Party.

11.4 Reliance by Administrative Agent or Collateral Agent

Any Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, teletype, electronic message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Company), independent accountants and other experts selected by any Agent. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Agents. The Agents shall be fully justified in failing or refusing to take any action under any Credit Document unless it shall first receive such advice or concurrence of the Required Lenders (or, where unanimous consent of the Lenders is expressly required hereunder, such Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under any Credit Document in accordance with a request of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Notes.

11.5 Notice of Default

None of the Agents shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent has received written notice from a Lender or the Company referring to this Agreement, describing such Default or Event of Default and stating that such notice is a **notice of default**. In the event that any Agent receives such a notice, such Agent shall promptly give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be directed by the Required Lenders; **provided** that (i) the Administrative Agent shall not be required to take any action that exposes the Administrative Agent to liability or that is contrary to this Agreement or applicable law and (ii) unless and until the Administrative Agent shall have received such

directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

11.6 Non-Reliance on Administrative Agent, Collateral Agent, Lead Arrangers and Other Lenders

Each Lender expressly acknowledges that none of the Agents or Lead Arrangers nor any of their respective officers, directors, employees, agents, attorneys-in-fact, Subsidiaries or Affiliates has made any representations or warranties to it and that no act by any Agent or any Lead Arranger hereafter taken, including any review of the affairs of the Credit Parties, shall be deemed to constitute any representation or warranty by such Agent or any Lead Arranger to any Lender. Each Lender represents to each Agent and the Lead Arrangers that it has, independently and without reliance upon any Agent, any Lead Arranger or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Credit Parties and made its own decision to make its Loans hereunder, issue and participate in the Letters of Credit and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent, any Lead Arranger or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under the Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Credit Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, none of the Agents or Lead Arrangers shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, financial condition, assets, liabilities, net assets, properties, results of operations, value, prospects and other condition or creditworthiness of the Credit Parties which may come into the possession of any Agent, or any Lead Arranger or any of their officers, directors, employees, agents, attorneys-in-fact, Affiliates or Subsidiaries.

11.7 Indemnification

The Lenders severally agree to indemnify each of the Agents in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to the respective amounts of their respective Commitments (or, to the extent such Commitments have been terminated, according to the respective outstanding principal amounts of the Loans and obligations, and whether as Issuing Lender or a Participating Lender, with respect to Letters of Credit), in each case determined as of the time the applicable unreimbursed expense, obligation, loss or other amount is sought, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including without limitation at any time following the payment of the Loans) be imposed on, incurred by or asserted against any Agent in any way relating to or arising out of the Credit Documents or any documents contemplated by or referred to herein or the transactions contemplated hereby or any action taken or omitted by any Agent under or in connection with any of the foregoing; **provided** that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from any Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements contained in this Section 11.7 shall survive the payment of all amounts payable hereunder.

11.8 Administrative Agent and Collateral Agent in its Individual Capacity

The Agents and their Affiliates and Subsidiaries may make loans to, accept deposits from and generally engage in any kind of business with the Credit Parties as though each Agent were not each Agent hereunder. With respect to its Loans made or renewed by it and any Letter of Credit issued by or participated in by it, each of the Agents shall have the same rights and powers, duties and liabilities under the Credit Documents as any Lender and may exercise the same as though it were not an Agent and the terms **Lender** and **Lenders** shall include each Agent in its individual capacities.

11.9 Successor Administrative Agent or Collateral Agent

Any Agent may resign as Agent upon thirty (30) days' notice to the Lenders. If the Administrative Agent shall resign as Administrative Agent under the Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders which successor agent shall be approved by the Company (which approval shall not be unreasonably withheld, **provided** that no such consent shall be required upon the occurrence and during the continuation of an Event of Default) and which appointment shall be agreed by such successor agent, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and the term "**Administrative Agent**" shall mean such successor agent effective upon its appointment, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement. If the Collateral Agent shall resign as Collateral Agent under the Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders which successor agent shall be approved by the Company (which approval shall not be unreasonably withheld) and which appointment shall be agreed by such successor agent, whereupon such successor agent shall succeed to the rights, powers and duties of a Collateral Agent and the term "**Collateral Agent**" shall mean such successor agent effective upon its appointment, and the former Collateral Agent's rights, powers and duties as Collateral Agent shall be terminated, without any other or further act or deed on the part of such former Collateral Agent or any of the parties to this Agreement. After any retiring Agent's resignation hereunder as Agent, the provisions of this Article 11 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under the Credit Documents.

Any resignation by JPMCB as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of JPMCB as a retiring Issuing Lender, (ii) JPMCB, as a retiring Issuing Lender, shall be discharged from all of its duties and obligations in such capacities hereunder or under the other Credit Documents and (iii) a successor Issuing Lender shall issue letters of credit in substitution for the Letters of Credit, if any, issued by JPMCB outstanding at the time of such succession or make other arrangements satisfactory to JPMCB as a retiring Issuing Lender to effectively assume the obligations of JPMCB as issuer of such Letters of Credit.

11.10 Issuing Lender as Issuer of Letters of Credit

Each Lender hereby acknowledges that the provisions of this Article 11 shall apply to the Issuing Lender, in its capacity as issuer of any Letter of Credit, in the same manner as such provisions are expressly stated to apply to the Administrative Agent.

11.11 Certain ERISA Matters

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto, to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company, that at least one of the following is and will be true:

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless clause (i) in the immediately preceding paragraph (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in clause (iv) in the immediately preceding paragraph (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company, that none of the Administrative Agent or any of its respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

(c) The Administrative Agent and each Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Credit Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Credit Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

11.12 Credit Bidding

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Credit Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (**provided** that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 12.1 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent

that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties *pro rata* with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

11.13 Acknowledgments of Lenders and Issuing Lenders

(a) (i) Each Lender and each Issuing Lender hereby agrees that (x) if the Administrative Agent notifies such Lender or such Issuing Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or such Issuing Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a **“Payment”**) were erroneously transmitted to such Lender or such Issuing Lender (whether or not known to such Lender or such Issuing Lender), and demands the return of such Payment (or a portion thereof), such Lender or such Issuing Lender shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or such Issuing Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or such Issuing Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Lender under this Section 11.13(a) shall be conclusive, absent manifest error.

(ii) Each Lender and each Issuing Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a **“Payment Notice”**) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and each Issuing Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or such Issuing Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the

Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or such Issuing Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Company hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or any Issuing Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender or such Issuing Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Company or any other Credit Party, except, in each case, to the extent that such erroneous Payment (or any portion thereof) is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds of the Company or any other Credit Party.

(iv) Each party's obligations under this Section 11.13(a) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Credit Document.

(b) Each Lender represents that, in participating as a Lender, it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Lender or Issuing Lender, in each case in the ordinary course of business, and not for the purpose of investing in the general performance or operations of the Company, or for the purpose of purchasing, acquiring or holding any other type of financial instrument such as a security (and each Lender and each Issuing Lender agrees not to assert a claim in contravention of the foregoing, such as a claim under the federal or state securities laws).

12. MISCELLANEOUS

12.1 Amendments and Waivers

No Credit Document nor any terms thereof may be amended, supplemented, waived or modified except in accordance with the provisions of this Section 12.1. With the written consent of the Required Lenders, the Administrative Agent and the respective Credit Parties may, from time to time, enter into written amendments, supplements or modifications to any Credit Document for the purpose of adding any provisions to such Credit Document to which they are parties or changing in any manner the rights of the Lenders or of any such Credit Party or any other Person thereunder or waiving, on such terms and conditions as the Administrative Agent may specify in such instrument, any of the requirements of any such Credit Document or any Default or Event of Default and its consequences; **provided**, however, that:

(i) no such waiver and no such amendment, supplement or modification shall (A) extend the Revolving Credit Termination Date or the scheduled maturity of any Loan or extend the expiry date of any Letter of Credit beyond the Revolving Credit Termination Date, or reduce the rate or extend the time of payment of interest on any Loan or Letter of Credit, or change the method of calculating interest on any Loan or Letter of Credit, or reduce the amount or extend the time of payment of any

fee payable to the Lenders hereunder (**provided** that any amendment or modification of the financial covenants in this Agreement (or any defined term used therein) shall not constitute a reduction in the rate of interest or fees for such purpose), or reduce or forgive the principal amount thereof, or increase the amount of, or postpone the scheduled date of expiry of, any Commitment of any Lender, without the consent of each Lender directly affected thereby, or (B) amend, modify or waive any provision of this Section 12.1 or the definition of Required Lenders, or alter the manner in which payments of principal, interest, or other amounts hereunder shall be applied as among the Lenders in the respective Facility (in which case, the written consent of each Lender in the respective Facility shall be required), or change the percentage of the Lenders required to waive a condition precedent under Sections 7.1 or 7.2, or amend, modify, eliminate or waive a condition precedent under or waive or amend any other provision in any of the Credit Documents which by their terms require all Lenders' consent or consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document, or release all or substantially all of the Collateral or subordinate Collateral Agent's Lien (other than, for the avoidance of doubt, a subordination pursuant to Section 9.2(g)(vi) of this Agreement) on any material portion of the Collateral in any transaction or series of transactions, or release all or substantially all of the value of the guarantees granted (or required to be granted) pursuant to this Agreement, in each case, without the written consent of each Lender (unless otherwise specified in sub-clause (B) of this clause (i));

(ii) no such waiver and no such amendment, supplement or modification shall amend, modify or waive any provision of Article 11 without the written consent of the Administrative Agent, the Collateral Agent and the Issuing Lender;

(iii) no such waiver and no such amendment, supplement or modification shall amend, modify or waive any provision of Section 5.18(e) in a manner that would alter the manner in which payments are shared, without the written consent of each Lender;

(iv) no such waiver and no such amendment, supplement or modification shall increase the advance rates set forth in the definition of "Borrowing Base" or add new categories of eligible assets or making other changes to the definition of "Borrowing Base" or any component definition thereof if as a result thereof the amounts available to be borrowed by the Company would be increased, without the prior written consent of each Revolving Credit Lender (other than any Defaulting Lender);

(v) the Administrative Agent and the Company acting together may, without the consent of any other Person, amend, modify or supplement this Agreement and any other Credit Document to cure any typographical error, mistake or defect, to comply with local law or the advice of local counsel or to cause one or more Credit Documents to be consistent with other Credit Documents.

Any such waiver and any such amendment, supplement or modification described in this Section 12.1 shall apply equally to each of the Lenders and shall be binding upon each Credit Party, the Lenders, each Agent and all future holders of the Loans. No waiver, amendment, supplement or modification of any Letter of Credit shall extend the expiry date thereof without the written consent of the Participating Lenders. In the case of any waiver, the Company, the Lenders and each Agent shall be restored to their former position and rights hereunder and under the outstanding Loans, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender affected thereby”, the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but has not been obtained being referred to herein as a “**Non-Consenting Lender**”), then the Company may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, **provided** that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Company, the Administrative Agent and the Issuing Lender shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Non-Consenting Lender pursuant to an assignment under Section 12.6 and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date and to comply with the requirements of Section 12.6, and (ii) the Company shall pay to such Non-Consenting Lender in Same Day Funds on the day of such replacement (1) all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Company hereunder to and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Sections 5.20 or Section 5.23, and (2) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 5.21 had the Loans of such Non-Consenting Lender been prepaid on such date rather than sold to the replacement Lender.

PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE COMPANY MATERIALS. 12.3 No Waiver; Cumulative Remedies

No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

12.4 Survival of Representations and Warranties

All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement, the Letters of Credit and the Loans.

12.5 Payment of Expenses; Limitation of Liability; Indemnification

(a) The Company agrees:

(i) to promptly pay or reimburse the Administrative Agent and the Lenders for all of their reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation, execution, delivery, administration, amendment, waiver and modification of, the Credit Documents and any other documents prepared in connection herewith, and the consummation of the transactions contemplated hereby and thereby and the syndication of the Loans under this Agreement, including, without limitation, (i) the reasonable fees and disbursements of counsel to the

Administrative Agent and one counsel to Wells Fargo Bank, National Association and (ii) appraisals and field examinations pursuant to Section 8.12 and the insurance reviews and the collateral monitoring services performed by the Administrative Agent or the Collateral Agent, in each case subject to receipt of supporting documentation in reasonable detail;

(ii) to promptly pay or reimburse each Lender and each Agent for all their costs and expenses incurred in connection with, and to pay, indemnify, and hold each Agent and each Lender harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever arising out of or in connection with, the enforcement or preservation of any rights (including in any workout proceedings, restructuring, standstill or forbearance providing relief to the Credit Parties) under any Credit Document and any such other documents, including, without limitation, reasonable out-of-pocket fees and disbursements of counsel to each Agent and each Lender (including, but not limited to, reasonable fees and expenses of one counsel to the Administrative Agent, one counsel to Wells Fargo Bank, National Association, and one counsel to other Lenders taken together, and one local counsel in each appropriate jurisdiction and expenses incurred in connection with travel, courier, reproduction, printing and delivery expenses), incurred in connection with the foregoing and in connection with advising the Administrative Agent with respect to its rights and responsibilities under this Agreement and the documentation relating thereto, subject to receipt of supporting documentation in reasonable detail (it being agreed that the Agents and the Lenders shall have the right to employ separate counsel and the Company shall bear the reasonable out-of-pocket fees, costs, and expenses of such separate counsel if (A) the use of the selected counsel would present such counsel with a conflict of interest or (B) the actual or potential defendants in, or targets of, any such action include both the Company and the Agents and/or a Lender, and such Agent or Lender shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to the Company or any other such Person);

(iii) to promptly pay, indemnify, and to hold each Agent and each Lender harmless from, any and all recording and filing fees and any and all liabilities with respect thereto, or resulting from any delay in paying such recording and filing fees, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, any Credit Document and any such other documents; and

(iv) to pay, indemnify, and hold each Agent, and each Lender (each, an “**Indemnified Person**”) and their respective affiliates, officers, directors, employees, trustees, advisors and agents (the affiliates, officers, directors, employees, trustees, advisors and agents of any Indemnified Person are such Indemnified Person’s “**Related Parties**”) harmless from and against any and all other actual out-of-pocket liabilities, obligations, losses, damages (including punitive damages), penalties, fines, claims (whether brought by a third party or by the Company or any other Credit Party or any of the Company’s or such Credit Party’s directors, shareholders or creditors, and regardless of whether any Indemnified Person is a party thereto), actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (including, without limitation, reasonable experts’ and consultants’ fees and reasonable fees and disbursements of counsel and third party claims for personal injury or real or personal property damage) which may be incurred by or asserted against any Agent, the Lenders or the Related Parties (x) arising out of or in connection with any investigation, litigation or proceeding related to this Agreement, the other Credit Documents, the proceeds of the

Loans, or any of the other transactions contemplated hereby or thereby, whether or not any Agent or any of the Lenders is a party thereto, (y) with respect to any environmental matters, any environmental compliance expenses and remediation expenses in connection with the presence, suspected presence, release or suspected release of any Materials of Environmental Concern in or into the air, soil, groundwater, surface water or improvements at, on, about, under, or within the Properties, or any portion thereof, or elsewhere in connection with the transportation of Materials of Environmental Concern to or from the Properties, or (z) without limiting the generality of the foregoing, by reason of or in connection with the execution and delivery or transfer of, or payment or failure to make payments under, Letters of Credit (it being agreed that nothing in this Section 12.5(a)(iv)(z) is intended to limit the Company's obligations pursuant to Section 2.6);

(all the foregoing, collectively, the "**indemnified liabilities**"), **provided** that the Company shall have no obligation hereunder with respect to indemnified liabilities of any Indemnified Person or its Related Parties arising from the gross negligence or willful misconduct of such Indemnified Person or its Related Parties as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(b) To the fullest extent permitted by applicable law, no Credit Party shall assert, and each Credit Party hereby waives, any claim against any Indemnified Person and its Related Parties on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof.

(c) The agreements in this Section 12.5 shall survive repayment of the Loans and all other amounts payable hereunder.

(d) All amounts due under this Section 12.5 shall be payable promptly after written demand therefor.

12.6 Successors and Assigns; Participations; Purchasing Lenders

(a) This Agreement shall be binding upon and inure to the benefit of the Company, the Lenders, the Agents, all future holders of the Loans, and their respective successors and assigns, except that the Company may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of each Lender.

(b) Any Lender other than any Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more banks or other financial institutions, Approved Funds or Lender Affiliates ("**Participants**") participating interests in any Loan owing to such Lender, any participating interest of such Lender in the Letters of Credit, any Note held by such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Credit Documents. In the event of any such sale by a Lender of participating interests to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Credit Documents, the Company and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Credit Documents; **provided**, however, that such Lender shall not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 12.1(i) that affects such Participant. The Company agrees that if amounts outstanding under this

Agreement and the Loans are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement and any Loan to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement or any Loan; **provided** that such Participant shall only be entitled to such right of setoff if it shall have agreed in the agreement pursuant to which it shall have acquired its participating interest to share with the Lenders the proceeds thereof, as provided in Section 12.7. The Company also agrees that each Participant shall be entitled to the benefits of Sections 5.12, 5.19, 5.20, 5.21 and 5.23 with respect to its participation in the Letters of Credit and in the Commitments and the Loans outstanding from time to time; **provided** that (x) no Participant shall be entitled to receive any greater amount pursuant to such Sections than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred, (y) each Participant shall be subject to the provisions of paragraph (c) of Section 5.20 and (z) a Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.23 unless the Company is notified of the participation interest sold to such Participant and such Participant agrees, for the benefit of the Company, to comply with Section 5.23(g) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Company, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "**Participant Register**"); **provided** that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitment, Loans, Notes or Letters of Credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loans, Notes or Letters of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) Any Lender other than any Conduit Lender (an "**Assignor**") may, in the ordinary course of its business and in accordance with applicable law, with the prior written consent of the Issuing Lender (**provided** that no consent of an Issuing Lender shall be required if (x) an Event of Default occurs with respect to the Company under Section 10.1(f) and (y) such Issuing Lender has no outstanding Letters of Credit at that time), at any time sell to any Lender, any Affiliate or Lender Affiliate thereof (including any Affiliate or Subsidiary of such transferor Lender) or any Approved Fund and, with the prior written consent of the Company (**provided** that the Company shall be deemed to have consented unless the Company shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, and in any case subject to the penultimate sentence of this paragraph (c)) and the Administrative Agent (which in each case shall not be unreasonably withheld, conditioned, or delayed), sell to one or more additional banks or financial institutions, as one or more assignees thereof (together, an "**Assignee**"), all or any part of its rights and obligations under this Agreement, the Notes and the other Credit Documents and, with respect to the Letters of Credit, such Lender's L/C Participating Interest, pursuant to an Assignment and Assumption executed by such Assignee, such assigning Lender (and by the Company, the Administrative Agent and the Issuing Lender, to the extent their consent is required), and delivered to the Administrative Agent for its acceptance and recording in the Register; **provided** that (A) each such sale pursuant to this Section 12.6(c) of a Lender's rights and obligations (I) to a Person which is not then a Lender or an Affiliate or Lender Affiliate of a Lender shall be of the entire remaining amount of the assigning Lender's rights and obligations or, if less than such entire remaining amount, of Commitments and/or Loans of \$5,000,000 or more unless otherwise agreed by the Company and

the Administrative Agent; and (II) to a Person which is then a Lender or an Affiliate or Lender Affiliate of a Lender may be in any amount and shall not require the consent of the Company or the Administrative Agent, and (B) each Assignee which is a Foreign Lender shall comply with the provisions of Section 5.23(g); and **provided**, further that the foregoing shall not prohibit a Lender from selling participating interests in accordance with Section 12.6(b) in all or any portion of its Commitments and/or Loans (without duplication). For purposes of sub-clauses (A) and (B) of the first proviso contained in the preceding sentence, the amount described therein shall be aggregated in respect of each Lender and its Lender Affiliates, if any. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Assumption, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Lender hereunder with the Commitments and Loans as set forth therein, and (y) the assigning Lender thereunder shall, to the extent of the interest transferred, as reflected in such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such assigning Lender shall cease to be a party hereto). Such Assignment and Assumption shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Assignee and the resulting adjustment of Commitment Percentages arising from the purchase by such Assignee of all or a portion of the rights and obligations of such assigning Lender under this Agreement. Notwithstanding anything herein to the contrary (and to the extent permitted by law), after the occurrence and during the continuance of an Event of Default any Lender may sell all or any part of its rights and obligations under this Agreement without the consent of the Company. Notwithstanding the foregoing, any Conduit Lender may assign at any time to its designating Lender hereunder without the consent of the Company or the Administrative Agent any or all of the Loans it may have funded hereunder and pursuant to its designation agreement and without regard to the limitations set forth in the first sentence of this Section 12.6(c).

(d) The Administrative Agent acting on behalf of and as an agent for the Company, shall maintain at the address of the Administrative Agent referred to in Section 12.2 a copy of each Assignment and Assumption delivered to it and a register (the "**Register**") for the recordation of the names and addresses of the Lenders and the Commitment of, the principal amount of any Revolving Credit Loans, if any owing to, and if such Lender has any Revolving Credit Commitment, the L/C Participating Interests of, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Company, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans or L/C Participating Interests recorded therein for all purposes of this Agreement, notwithstanding any notice to the contrary. The Register shall be available for inspection by the Company or any Lender at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Upon its receipt of an Assignment and Assumption executed by an assigning Lender and an Assignee (and by the Company, the Issuing Lender and the Administrative Agent to the extent required hereby), together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (which fee the Company shall have no obligation to pay and which fee may be waived by the Administrative Agent in its discretion), the Administrative Agent shall (i) promptly accept such Assignment and Assumption and (ii) on the effective date determined pursuant thereto, record the information contained therein in the Register and give notice of such acceptance and recordation to the Lenders and the Company.

(f) If, pursuant to this Section 12.6, any interest in this Agreement or any Loan or Letter of Credit is transferred to any Person (such Person, a "**Transferee**") which would be a Foreign Lender upon the effectiveness of such transfer, the assigning Lender shall cause

such Transferee, concurrently with the effectiveness of such transfer, (i) to represent to the assigning Lender (for the benefit of the assigning Lender, the Administrative Agent and the Company) that under applicable law and treaties no Taxes will be required to be withheld by the Administrative Agent, the Company or the assigning Lender with respect to any payments to be made to such Transferee in respect of the Loans or L/C Participating Interests, (ii) to furnish to the assigning Lender (and, in the case of any Assignee registered in the Register, the Administrative Agent and the Company) such Internal Revenue Service Forms required to be furnished pursuant to Section 5.23(g) and (iii) to agree (for the benefit of the assigning Lender, the Administrative Agent and the Company) to be bound by the provisions of Section 5.23(g).

(g) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including, without limitation, any pledge or assignment (i) by a Lender of any Loan or Note to any Federal Reserve Bank or other central bank in accordance with applicable law and (ii) by a Lender or a Lender Affiliate which is a fund to its trustee in support of its obligations to its trustee; **provided** that any transfer of Loans or Notes upon, or in lieu of, enforcement of or the exercise of remedies under any such pledge shall be treated as an assignment thereof which shall not be made without compliance with the requirements of this Section 12.6.

(h) The Company, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (g) above.

(i) Each of the Company, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one (1) day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; **provided**, however (i) that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period forbearance and (ii) the foregoing shall not prohibit or limit the ability of any such Person to file claims against a Conduit Lender in connection with any such proceeding.

12.7 Adjustments; Set-off; Cashless Settlement

(a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or Lenders, if any Lender (a "**Benefitted Lender**") shall at any time receive any payment of all or part of any of its Revolving Credit Loans or L/C Participating Interests, as the case may be, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 10.1(f), or otherwise) in a greater proportion than any such payment to and collateral received by any other Lender, if any, in respect of such other Lender's Revolving Credit Loans or L/C Participating Interests, as the case may be, or interest thereon, such Benefitted Lender shall purchase for cash from the other Lenders such portion of each such other Lender's Revolving Credit Loans or L/C Participating Interests, as the case may be, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; **provided**, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. The Company agrees that each Lender so purchasing a portion of another Lender's Loans and/or L/C Participating Interests may exercise

all rights of payment (including, without limitation, rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of such portion. The Administrative Agent shall promptly give the Company notice of any set-off, **provided** that the failure to give such notice shall not affect the validity of such set-off.

(b) Upon the occurrence and during the continuance of an Event of Default specified in Section 10.1(a) or 10.1(f), each Agent and each Lender are hereby irrevocably authorized at any time and from time to time without notice to the Company, any such notice being hereby waived by the Company, to set off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Agent or such Lender to or for the credit or the account of the Company or any part thereof in such amounts as such Agent or such Lender may elect, on account of the liabilities of the Company hereunder and under the other Credit Documents and claims of every nature and description of such Agent or such Lender against the Company in any currency, whether arising hereunder, or otherwise, under any other Credit Document as such Agent or such Lender may elect, whether or not such Agent or such Lender has made any demand for payment and although such liabilities and claims may be contingent or unmatured. Each Agent and each Lender shall notify the Company promptly of any such setoff made by it and the application made by it of the proceeds thereof, **provided** that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Agent and each Lender under this paragraph are in addition to other rights and remedies (including, without limitation, other rights of setoff) which such Agent or such Lender may have.

(c) Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Company, the Administrative Agent and such Lender.

12.8 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Credit Documents and any separate letter agreements with respect to fees payable to the Administrative Agent and the reductions of the Letter of Credit Commitment of any Issuing Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 7.1, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Credit Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 12.2), certificate, request, statement, disclosure or authorization related to this Agreement, any other Credit Document and/or the transactions contemplated hereby and/or thereby (each an "**Ancillary Document**") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Credit Document

or such Ancillary Document, as applicable. Forward-Looking Statements and Cautionary Statements

The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for forward-looking statements to encourage companies to provide prospective information to investors. This news release (and any oral statements made regarding the subjects of this release) includes forward-looking statements that reflect our current expectations and projections about our future results, performance and prospects. Forward-looking statements include all statements that are not historical in nature and are not current facts. When used in this news release (and any oral statements made regarding the subjects of this release), the words "believe," "expect," "plan," "intend," "anticipate," "estimate," "predict," "potential," "continue," "may," "might," "should," "could," "will" or the negative of these terms or similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. These forward-looking statements are based on our current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events with respect to, among other things: our operating cash flows; the availability of capital and our liquidity; our ability to renew and refinance our debt; our future revenue, income and operating performance; our ability to sustain and improve our utilization, revenue and margins; our ability to maintain acceptable pricing for our services; future capital expenditures; our ability to finance equipment, working capital and capital expenditures; our ability to execute our long-term growth strategy and to integrate our acquisitions; our ability to successfully develop our research and technology capabilities and implement technological developments and enhancements; and the timing and success of strategic initiatives and special projects.

Forward-looking statements are not assurances of future performance and actual results could differ materially from our historical experience and our present expectations or projections. These forward-looking statements are based on management’s current expectations and beliefs, forecasts for our existing operations, experience, expectations and perception of historical trends, current conditions, anticipated future developments and their effect on us and other factors believed to be appropriate. Although management believes the expectations and assumptions reflected in these forward-looking statements are reasonable as and when made, no assurance can be given that these assumptions are accurate or that any of these expectations will be achieved (in full or at all). Our forward-looking statements involve significant risks, contingencies and uncertainties, most of which are difficult to predict and many of which are beyond our control. Known material factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, risks associated with the following: a decline in demand for our services, declining commodity prices, overcapacity and other competitive factors affecting our industry; the cyclical nature and volatility of the oil and gas industry, which impacts the level of exploration, production and development activity and spending patterns by oil and natural gas exploration and production companies; a decline in, or substantial volatility of, crude oil and gas commodity prices, which generally leads to decreased spending by our customers and negatively impacts drilling, completion and production activity; inflation; increases in interest rates; the ongoing war in Ukraine and its continuing effects on global trade; supply chain issues; and other risks and uncertainties listed in our filings with the U.S. Securities and Exchange Commission, including our Current Reports on Form 8-K that we file from time to time, Quarterly Reports on Form 10-Q and Annual Report on Form 10-K. Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except as required by law.
