The shares of Common Stock reported herein were acquired by the Reporting Persons as follows: (i) In connection with a refinancing transaction consummated in March 2025, the Issuer and certain of its subsidiaries issued to the Cross Ocean Managed Funds, in exchange for \$50.7 million in cash consideration and \$30.5 million in aggregate principal amount of Issuer's then-outstanding 11.500% senior secured notes due 2025 (the "Existing Notes") held by the Cross Ocean Managed Funds, (a) \$85 million aggregate principal amount of the Issuer's Senior Secured Floating Rate Cash/PIK Notes due 2030 (the "2030 Notes"), and (b) warrants to purchase 868,887 shares of Common Stock at an exercise price of \$0.01 per share, subject to adjustment (the "Warrants"). In March 2026, in connection with a covenant amendment to the 2030 Notes, the Issuer issued an additional 305,438 Warrants to the Cross Ocean Managed Funds. The Cross Ocean Managed Funds exercised all Warrants, and between March 2026 and April 2026, sold 569,401 shares of Common Stock, resulting in 604,924 shares being owned by them at the time of the Backstop Exchange (as defined below). There can be no guarantee that the Reporting Persons will make any proposal regarding any of the matters set forth in the preceding paragraph, and if any such proposal is made, the Reporting Persons can provide no assurances such proposal will be accepted or that it will successfully consummate any proposed transaction. To facilitate its consideration of such matters, the Reporting Persons have retained, or intend to retain, consultants, legal counsel and advisors. The Reporting Persons do not have any current plans or proposals which relate to or would result in any of the actions described in Items 4(a)-(j) of Schedule 13D. However, the Reporting Persons may consider such matters in the future and, subject to applicable law, may formulate a plan with respect to such matters, and, from time to time, the Reporting Persons may hold discussions with or make informal recommendations or formal proposals to the Issuer's management or Board, including any special committees of the Board and their respective advisors, other holders of the Issuer's securities, industry analysts, financial sponsors, existing or potential strategic partners, actual or potential sources of capital and other third parties regarding such matters.
